**Executive Summary**

This program serves three primary functions: (1) Prosecute felony crimes involving child victims including homicide, physical abuse, abandonment and neglect, sexual exploitation and sexual assault of children where the perpetrator is considered family, (2) Protect vulnerable children through litigating dependency cases in juvenile court; and (3) Coordinate the Multi-Disciplinary Child Abuse Team's child protection efforts and develop practices and policies to investigate and prosecute abuse while working to help keep children safe.

**Program Summary**

The Multidisciplinary Child Abuse Team (MDT) is part of a larger team comprised of representatives from law enforcement, public schools, hospitals, courts, health departments, the Oregon Department of Human Services (DHS), and the Oregon Department of Employment Child Care Division. The team provides services to child victims, minimizes the number of victim interviews, prevents abuse of other potential victims, advances public safety and increases the effectiveness of prosecution of both criminal and dependency cases. A case in the MDT unit is often time-intensive.

MDT is located at the Gateway Children's Center campus and co-housed with the Child Abuse Hotline and a specialized police unit comprised of detectives from the Portland Police Bureau and the Gresham Police Department. Last year, this program prosecuted some of the most troubling homicides and serious felony sexual and physical assaults against children in the county. This team reviews all fatalities which involve a child under the age of 18 years. Deputy District Attorneys also work with DHS and other agencies to protect children who are abused and neglected.

Last year, attorneys litigated some of the most high risk/high lethality child protection cases in Juvenile Court. With the court, DHS and other agencies and community partners the office fashions plans that provide protection for the child and opportunities for the parents to mitigate the dangers which brought the child to the attention of the court in the first place, with the goal that the child(ren) will be returned and the need for court involvement ended.

MDT DDAs coordinate discussion and resolution of inter-agency issues, assist in training with agencies involved in child abuse, participate in policy meetings regarding child abuse and neglect, prepare and update the protocols for the larger MDT, and advise community partners on child abuse legal issues. The Senior Deputy District Attorney is on call 24/7 to assist law enforcement, medical personnel and DHS. This program also coordinates the distribution of state Child Abuse Multidisciplinary intervention (CAMI) funds to a variety of local partners on an annual basis for projects/services associated with child abuse intervention.
