Executive Summary

Along with other County partners, Multnomah County District Attorney's Office (MCDA) seeks to support the efforts to prevent and end homelessness in the community. MCDA will assist people experiencing homelessness by addressing low-level court matters in an effort to lowering barriers to housing placement or housing retention.

Program Description

This is a multi-disciplinary effort to provide a one-stop coalition of co-located service providers, alongside representatives from MCDA, who can assist people experiencing homelessness with navigating court matters. Clients with pending court matters who engage with the service team can seek a dismissal of pending low-level misdemeanor cases and/or the clearing of existing warrants. The DA's Office is already partnering with service providers to streamline communication between individuals and available services.

Moving to a collation of co-located service providers will foster continued collaboration and communication between the DA's Office and service providers. Off-site, co-located services will eliminate access barriers. Service providers will work with one Deputy District Attorney (DDA) and one Victim's Advocate to coordinate assistance for justice involved individuals. The DDA will work with the court and the involved person to clear outstanding misdemeanor warrants that create barriers to housing, and to dismiss pending low-level misdemeanor cases upon engagement with the service team. A trauma informed victim advocate will offer support and assistance in safety planning and coordination of domestic violence services such as restraining orders as needed.
