**Program Characteristics:**

**Executive Summary**

Unit A/B prosecutes property crimes, including wage theft, auto theft, organized retail theft, and commercial drug delivery cases. The Human Trafficking Unit protects survivors of human trafficking many of whom are minors, using a trauma-informed, victim-centered approach. BIPOC community members are disproportionately impacted by human trafficking. Deputy District Attorneys seek to establish safety and trust with trafficking survivors.

**Program Description**

Unit A/B prosecutes property crimes and commercial drug offenses, including the sale and distribution of fentanyl. Unit Prosecutors are aware that property crimes disproportionality affect BIPOC, low income persons and other underserved communities. Crime victims who can least afford property damage or loss, fraud or theft suffer the most. When the interests of public safety may be best served, MCDA presents to the court sentencing recommendations for supervised mental health, alcohol and drug addiction treatment. Multnomah County has a very high auto and retail theft rate. The number of cases submitted for prosecution is expected to grow.

The Human Trafficking Unit acknowledges that historical inequities and structural racism contribute to the overrepresentation of BIPOC community members among those who are trafficked. The average age of trafficked survivors is under 16 years of age. Prosecutors work with community and system-based advocates focused on the safety and privacy of the survivors. Investigations and prosecutions commence only with victim consent.
