Program Description

Unit C is a major felony trial unit responsible for prosecuting a variety of serious felony crimes including robberies, firearms offenses, gang and group-related crimes, vehicular homicides and assaults, arson, residential burglaries, and felony animal abuse. Unit C prosecutions utilize a trauma-informed approach with victimized community members. Unit C Deputy District Attorneys (DDAs) carefully consider the associated collateral consequences for racial and ethnic minority criminal defendants at the charging and resolution phases of a case in order to improve equity of outcomes.

Unit C works cooperatively with state and local law enforcement partners to target offenders and reduce instances of violent offenses. In the continuum of prosecution services, Unit C prosecutes mostly high-risk and some medium-level offenders. Due to the nature of these crimes, many cases handled in Unit C have high visibility in the community and long-lasting impacts on crime victims. The program seeks to keep the community safe from serious person and property crimes while balancing the needs of traumatized victims and criminal defendants.

Unit C attorneys provide education regarding the criminal justice system to the public and regularly engage in community meetings and outreach to address the negative impact of group and gang violence in the community. MCDA utilizes evidence-based solutions to gang-related prosecutions and strategically collaborates with other law enforcement partners to break the retaliatory cycle of these violent crimes. Additionally, hundreds of felony firearms cases are handled by Unit C annually, resulting in both state and federal prosecutions for the illegal use, possession, and transfer of firearms.

Understanding the social and economic dynamics that fuel racial disparity in the criminal justice system is critical to reducing those disparities. Unit C DDAs participate in office-wide equity training and hold unit-specific discussions to identify ways of reducing racial disparities from case review to sentencing. Embedded within Unit C charging decisions and the ultimate case disposition is the consideration of collateral consequences for racial and ethnic minority criminal defendants. Unit C DDAs participate in weekly case staffings to ensure appropriate and consistent pretrial plea bargain offers to criminal defendants after seeking input from crime victims.

Unit C is also responsible for prosecuting all felony cases that result from unintentional vehicular collisions where serious physical injury or fatalities occur. Unit C DDAs are trained in accident reconstruction and assigned to the vehicular crimes team. Each DDA is on-call approximately six weeks throughout the year to respond to vehicular crashes 24-hours a day.
