**Program Summary**

The SAKI prosecutor previously received grant funding through a national program to eliminate a backlog of untested sexual assault forensic evidence. The grant funding has ended and the backlog has been eliminated, although some cases remain under investigation or litigation. The former SAKI grant prosecutor will continue to perform this work largely in the first quarter of FY 2022. The former SAKI prosecutor will pivot towards combating a sharp increase in gun violence, assaults and homicides, assisting prosecutors in Unit D who focus on the most violent crimes in the community.
