**Program Characteristics:** In Target

**Executive Summary**

The Homicide Unit consists of five experienced DDAs who focus their work exclusively on homicide cases. The Homicide Unit was created in response to a dramatic increase in the number of homicides in Multnomah County. Working closely with investigators and staff, Homicide Unit members seek equitable treatment for offenders, justice for victims and ultimately to reduce the number of homicides committed in Multnomah County.

**Program Description**

Homicide Unit DDAs are assigned new cases from the beginning: responding to homicide scenes to assist investigators, attending autopsies and then seeking charges in homicide cases. Because homicide cases are complex, involve novel legal issues, and are frequently high profile and the subject of intense community interest, DDAs in the Homicide Unit are among the most experienced prosecutors at MCDA. The Homicide Unit was created after homicide numbers peaked in 2022 with 108 people killed in Multnomah County, mostly involving gun violence. The twenty year average for homicides in Portland was only 28. There were 99 homicides in Multnomah County in 2023. Prosecutors in the Homicide Unit use trauma informed and equity practices in their approach to cases seeking fair, unbiased outcomes for offenders and justice for victims. The ultimate goal of the Homicide Unit is to reduce gun violence and homicides in the community.
