Executive Summary

The Multi-Disciplinary Team (MDT) uses best practices to protect children from physical and sexual abuse. The MDT prosecutes felony crimes against children including homicide, physical abuse and sexual assault where the perpetrator is considered family and supports child protection efforts by working with advocates, investigators and physicians to develop equitable practices and policies.

Program Description

The MDT is part of a larger team comprised of representatives from law enforcement, public schools, hospitals, courts, health departments, the Oregon Department of Human Services (DHS), and the Oregon Department of Employment Child Care Division. The team provides services to child victims, advances public safety through the protection of children. This program prosecutes homicides and serious felony sexual and physical assaults against children. Deputy District Attorneys (DDAs) respond to child death crime scenes and review all unexpected child fatalities. DDAs also work with the Department of Human Services (DHS) and other agencies to protect children who are abused and neglected. They work with the Victim Assistance Program to ensure all practices are trauma-informed and mitigate the life-long consequences of child abuse.

MDT DDAs assist in training with agencies preventing child abuse and advise community partners on child abuse legal issues. The senior deputy district attorney is on call 24/7 to assist law enforcement, medical personnel and DHS in regard to infant deaths and immediate physical and child sexual assault cases. This program also coordinates the distribution of state Child Abuse Multidisciplinary Intervention (CAMI) funds to a variety of local partners on an annual basis for projects/services associated with child abuse intervention.
