**Program Characteristics:**

### Executive Summary

The Investigations Unit assists deputy district attorneys in the investigation of cases and performs other functions ancillary to court proceedings such as the service of subpoenas, preparation of court exhibits, interviewing witnesses, transporting victims and witnesses to court, and the gathering and protecting of evidence. Investigators are under the general supervision of the chief investigator and are directly employed by the District Attorney.

### Program Summary

The Investigations Unit is staffed by one chief investigator and 6.5 FTE experienced investigators. Investigators are utilized in the juvenile, and trial divisions of the Multnomah County District Attorney's Office. Investigators work closely and in cooperation with federal, state and local law enforcement agencies and deputy district attorneys to provide investigation services for felony and misdemeanor cases. The program provides case specific evidence gathering and evaluation, location of witnesses, witness interviews and transport for testimony, court testimony, video redaction of 911 tapes and video evidence, background investigations and personal service of subpoenas that require witness court appearance. Investigations are a crucial and integral part of the prosecution of all criminal investigations.

The Investigations Unit provides support in criminal prosecutions which directly affect the lives and safety of children, teens, families, LGBTQ, houseless and other vulnerable populations that have been victims in Multnomah County. Investigators perform all of the duties listed above and other critical tasks needed to support deputy district attorneys and help them protect the community and hold defendants accountable.

Furthermore, communities of color have historically been underserved in Multnomah County. We have assembled a diverse, gifted, caring and committed investigative team, reflective of the community we serve. Over 50% of our team includes people of color.

Investigators are sometimes required to provide security for the district attorney, deputy district attorneys, other court personnel, or witnesses who have been threatened by hostile subjects.

### Performance Measures

## Significant Program Changes

**Last Year this program was:** FY 2020: 15402-20 Investigations

The chief investigator is a member of the Multnomah County Threat Assessment Team (MCTAT), which is a multi-disciplinary team, including professionals from local, state, and federal law enforcement, mental health organizations and representatives from local universities and community colleges. MCTAT identifies and helps manage threats against organizations and members of our community.
