**City of Lake Oswego Measure**

Referred to the Voters by the Lake Oswego City Council

**3-548 Bonds for Open Space, Parks and Recreation Land and Facilities**

**Question:** Shall Lake Oswego issue \$30 million in bonds for open space or park land, and for park and recreation facilities?

If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

This measure authorizes the City to issue up to \$30 million in bonds to acquire real property for open space or parks, or to renovate, replace or develop park and recreation facilities. Uses will be guided by the city's current and future parks and capital improvement plans. The bonds will be payable over a period of up to 20 years.

The bonds will be repaid from property taxes. The resulting tax rate is estimated to be not more than \$0.24 per \$1000 of assessed value. For a property with an assessed value (not real market value) of \$500,000, the annual cost would be \$120. This is the same rate as the current open space and parks bond portion of property taxes for three current bond series, which will be paid off over the next three years. It is expected that the newly-approved bonds will be issued in several series, allowing the open space and parks bond portion of city property tax rates to be maintained at no higher than the current rate.

**City of Lake Oswego Measure**

Referred to the Voters by the Lake Oswego City Council

**3-549 Charter Amendment Regarding Frequency of the City Manager's Budget Submittals**

**Question:** Shall the Lake Oswego Charter be amended to eliminate the requirement for the City Manager to submit annual proposed budgets?

Oregon Local Budget Law currently allows cities to adopt either one-year or two-year budgets. However, the duties of the City Manager listed in the Lake Oswego City Charter currently include, in Subsection 20.B.3, a requirement for the City Manager to "annually prepare and submit a proposed City budget for the ensuing fiscal year . . ."

Approval of this measure amends Subsection 20.B.3 of the Lake Oswego City Charter to require the City Manager to "prepare and submit proposed City budgets for budget periods specified by the City Council and authorized by state law..." instead of requiring annual budget submittals. This change would make the frequency of the City Manager's budget submittal duties under the Charter consistent with whatever budget periods may be chosen by the City Council under Oregon Local Budget Law: currently either annual or biennial budgets.
