- If a candidate or political committee does not **EXPECT** to receive a total of more than \$2,000 or spend a total of more than \$2,000 for the entire election, a Certificate of Limited Contributions and Expenditures may be filed. Committees may file this certificate when they originally file their Statement of Organization or during the first pre-election reporting period. A committee **may not** file this certificate for a second pre-election, post-election or any supplemental reporting period.
- A separate certificate must be filed for each election.
- This form cannot be used by chief petitioners of an initiative, referendum or recall petition.
- When either the total contributions or total expenditures for the election exceed \$2,000, detailed contribution and expenditure reports must be filed. The first detailed report must be filed for the accounting period in which the committee exceeds \$2,000 in either contributions or expenditures and must reflect all contributions and expenditures to date. Refer to the *Campaign Finance Manual* for further information.
- Deadline dates for filing a Certificate of Limited Contributions and Expenditures or detailed contribution and expenditure reports **MUST BE** strictly observed. Under ORS 260.232, the Secretary of State may impose a civil penalty against a candidate or treasurer for filing a late Certificate of Limited Contributions and Expenditures.
