76% of students increased benchmark scores in Reading *

82% of students increased benchmark scores in Math *

Average daily attendance of SUN CS students was **97%**

***due to changes in state testing these numbers are
not available for this year**

SUN Spotlight

Faubion’s Speech & Debate Team really had a chance to shine last year when we went to three tournaments. We had about 6 middle school students competing all year, and our first major wins were at the citywide middle school Speech & Debate tournament held at Cleveland High School.

Our Faubion students took home three trophies from various events and really represented the school in a positive way. This is not an easy thing to do – the students memorized speeches, wrote their own persuasive essays, learned how to debate and articulate themselves clearly. They even decided to perform some of their pieces at our family nights in front of an audience of 200. Their confidence was truly inspiring, and we are looking forward to continuing the tradition!

*SUN Community Schools are a collaboration of Multnomah County, the City of Portland,
local school districts, nonprofits and community.*
