LATE FILING NOTICE

Our records show that, as of today, we have not received your 2025 Confidential Personal Property Return (CPPR). You are currently liable for a late filing penalty of 5% of your 2025 Personal Property tax. To avoid an increase in your late filing penalty to 25% you must file a CPPR on or before June 1, 2025.

If your 2024 Personal Property tax was cancelled because the assessed value of your property fell below the taxable threshold, you are still required to file a 2025 CPPR.
