**Beaverton School Measure**

**34-284 Levy Renewal to Protect Beaverton Schools Teachers and Class Sizes**

**Question:** Shall District preserve 300 teaching positions, protect class sizes, renew 5-year levy, \$1.25 per \$1,000 assessed value, beginning 2018? This measure renews current local option taxes.

**Summary:** The Beaverton School District serves 40,000 children in 53 schools.

In 2013, voters approved a local option levy to restore teaching positions that had been cut due to repeated state funding shortfalls. That levy has raised \$128 million, and 100% has remained in Beaverton Schools to fund approximately 300 teaching positions and reduce class sizes. In the 2017-2018 school year, 158 of these positions were allocated to Beaverton's elementary schools, 53 to middle schools, 70 to high schools, and 18 to options schools.

The 2018 levy renewal will allow Beaverton schools to preserve these 300 teaching positions, maintain class sizes, and help ensure students are prepared for post-high school success, all without raising taxes.

The levy renewal costs \$1.25 per \$1,000 assessed property value. Homes with the median assessed value of \$238,000 would continue to pay less than \$25 a month.

The local option levy is projected to raise \$165 million over five years:

- 2018-19: \$31 million
- 2019-20: \$32 million
- 2020-21: \$33 million
- 2021-22: \$34 million
- 2022-23: \$35 million
