12 **PREAMBLE**

13
14 This Agreement is entered into by Multnomah County, Oregon, hereinafter
15 referred to as the County, and International Brotherhood of Electrical Workers, Local 48,
16 AFL-CIO, hereinafter referred to as the Union.

17 The purpose of this Agreement is to set forth those matters pertaining to rates of
18 pay, hours of work, fringe benefits, and other matters pertaining to employment
19 consistent with the County's objective of providing ever-improved services to the public
20 of Multnomah County. The parties agree as follows:

ARTICLE 2
DEFINITIONS

1
2
3
4 1. Cause: Misconduct, inefficiency, incompetence, insubordination, indolence,
5 malfeasance, unfitness to render effective service, or failing to fulfill responsibilities as
6 an employee.

7 2. Continuous Service: Means uninterrupted employment with Multnomah County
8 subject to the following provisions:

9 A. Continuous service shall include uninterrupted employment with another
10 governmental agency accomplished in accordance with and subject to ORS 236.605
11 through 236.640.

12 B. For purposes of determining length of service prior to July 1, 1975, an
13 interruption in employment of fourteen (14) months or less shall constitute continuous
14 service, in addition to those individually documented cases previously approved by the
15 Board of County Commissioners, the County Executive, or Employee Relations
16 Director.

17 C. For purposes of determining what constitutes a break in employment after
18 July 1, 1975, continuous service is terminated by voluntary termination, involuntary
19 termination due to expiration of a layoff list, or discharge for cause.

20 3. Supervisory Employee: Means any individual having authority in the interest of
21 the employer to hire, transfer, suspend, layoff, recall, promote, discharge, assign,
22 reward, or discipline other employees, or having responsibility to direct them, or to
23 adjust their grievances, or effectively to recommend such action, if in connection
24 therewith, the exercise of such authority is not of a merely routine or clerical nature, but
25 requires the use of independent judgment.

26 4. Permanent Employee: An employee who, following an examination process, is
27 appointed from a list of eligibles certified by the Human Resources Division of the
28 Department of County Management to fill a position; provided that the employee shall
29 retain such status upon temporary or permanent transfer, promotion, or demotion.

30 5. Probationary Employee: A permanent employee serving a one (1) year period
31 of trial service to determine his or her suitability for continued employment, such period

1 to begin on the date of his or her appointment to a permanent position from a certified
2 list of eligibles. During the period of probation, the employee may be dismissed without
3 recourse to the grievance procedure if, in the opinion of the employee's supervisor, his
4 or her continued service would not be in the best interest of the County. The length of
5 an employee's probationary period may not be extended by a Memorandum of
6 Agreement under the terms of Article 21, Entire Agreement, unless the employee was
7 absent from work for a period of six (6) months or more previous to the extension. The
8 length of probationary periods for employees hired prior to the effective date of this
9 Agreement shall not be affected by the terms of this definition.

10 6. Promotional Probationary Employee: A regular employee serving a six (6)
11 month period of trial service upon promotion to determine his or her suitability for
12 continued employment in the classification to which he or she was promoted, such
13 period to begin on the date of his or her appointment to a higher classification from a
14 certified list of eligibles. During the period of promotional probation, the employee shall
15 be returned to the classification and department from which he or she was promoted
16 without recourse to the grievance procedure if, in the opinion of the employee's
17 supervisor, his or her continued service in the classification to which he or she was
18 promoted would not be in the best interest of the County. The length of promotional
19 probationary period for employees promoted prior to the effective date of this
20 Agreement shall not be affected by the terms of this definition.

21 7. Temporary Employee: Any nonpermanent employee who has worked less than
22 1044 hours in any twelve (12) consecutive months. Temporary employees shall be
23 terminated upon completion of one-thousand-forty-four (1044) hours or shall be
24 appointed to a position from a certified eligible list established by the Human Resources
25 Unit of the Department of County Management.

26 When a temporary employee becomes a permanent employee, time spent in
27 temporary status shall apply to the probationary period, provided that the job
28 responsibility is substantially the same.

ARTICLE 3
RECOGNITION

The County recognizes the Union as the sole and exclusive bargaining agent for all non-supervisory employee members of the bargaining unit for the purpose of establishing wages, hours, and other conditions of employment. The positions covered by this Agreement are listed in Addendum A attached hereto and made a part hereof.

Specifically excluded from the bargaining unit are temporary employees.

During a probationary period, employees shall be entitled to all contractual benefits excluding provisions relating to discipline or discharge.

ARTICLE 4
MANAGEMENT RIGHTS

The County shall retain the exclusive right to exercise the customary functions of management including, but not limited to, directing the activities of the departments, determining the levels of service and methods of operation, and the introduction of new equipment; the right to hire, layoff, transfer, and promote; to discipline or discharge for cause; the exclusive right to determine staffing, work schedules, and assign work; and any other such rights not specifically referred to in this Agreement. Management rights, except where abridged by specific provisions of this Agreement, are not subject to the grievance procedure.

ARTICLE 5

UNION SECURITY AND CHECK OFF

1. The County agrees to furnish the Union, each month, a listing of all new employees covered by this Agreement hired during the month and of all employees who terminated during the month. Such listing shall contain the names of the employees, along with their job classifications, work locations, and home addresses.

2. The County agrees to deduct each pay period from the pay of employees covered by this Agreement as applicable:

A. Fifty percent (50%) of the current monthly union membership dues of those union members who individually request such deductions in writing on the form attached hereto as Addendum B; or

B. Fifty percent (50%) of the current monthly service fee, in lieu of dues, from any employee who is a member of the bargaining unit and who has not joined the Union within thirty (30) days of becoming an employee. This service fee shall be segregated by the Union and used on a pro rata basis solely to defray the cost of its services in negotiating and administering this contract.

C. The Union expressly agrees that it will safeguard the rights of non-association of employees, based upon bona fide religious tenets or teachings of a church or religious body of which such employee is a member. Such employee shall pay the in-lieu-of-dues payment to a non-religious charity mutually agreed upon by the employee making such payment and the Union, or in lieu thereof, the employee shall request that such in-lieu-of-dues payment be not deducted and shall make such payment to a charity as heretofore stated and shall furnish written proof to the Union and the County, when requested, that this has been done.

D. The Union expressly agrees that no funds derived from the in-lieu-of-dues payment shall be expended for political purposes by the Union.

The amount of monthly service fee shall be set at the amount of dues generally deducted less any present or future service, benefit, or activity not enjoyed by non-Union members of the bargaining unit.

1 The amounts to be deducted shall be certified to the County by the Financial
2 Secretary of the Union, and the aggregate deductions of all employees shall be
3 remitted, together with an itemized statement to the Treasurer of the Union by the first
4 day of the succeeding month after such deductions are made.

ARTICLE 6

NO STRIKE

No employee covered by this Agreement shall engage in any work stoppage, slowdown, picketing, or strike at any County facility or at any location where County services are performed during the life and duration of this Agreement. If any such work stoppage, slowdown, picketing, or strike shall take place, the Union will immediately notify such employees so engaging in such activities to cease and desist, and it shall publicly declare that such work stoppage, slowdown, picketing, or strike is in violation of this Agreement and is unauthorized. Employees in the bargaining unit, while acting in the course of their employment, shall not refuse to cross any picket line established by any labor organization when the employee is required to cross such picket line to attend to an emergency involving protection of life or property. It is understood, however, that no employee shall be disciplined or discharged for refusal to cross a picket line when directed to perform work which does not properly fall within the scope and jurisdiction of this Local Union.

When work is not available or is limited other than in picketed locations, all employees shall report for assignment. Any work that is available shall be assigned to bargaining unit members on the basis of seniority. Employees who reported but are not assigned work shall be paid two (2) hours pay.

ARTICLE 7
HOLIDAYS

1. Holidays The following shall be recognized and observed as paid holidays:

- ♦ Any day the President of the United States and/or the Governor declares a holiday for all employees employed in the public sector.
- ♦ New Year's Day (January 1st)
- ♦ Dr. Rev. Martin Luther King Jr.'s Birthday (3rd Monday in January)
- ♦ Washington's Birthday (3rd Monday in February)
- ♦ Memorial Day (last Monday in May)
- ♦ Independence Day (July 4th)
- ♦ Labor Day (1st Monday in September)
- ♦ Veterans' Day (November 11th or date of County observance)
- ♦ Thanksgiving Day (4th Thursday in November)
- ♦ Christmas Day (December 25th) or with the approval of the supervisor, this day may be traded for any other religious holiday during the fiscal year, provided the employee uses paid leave for, or works on December 25.
- ♦ Eight (8) hours to be used as a floating holiday during the fiscal year provided the employee gives two (2) weeks notice and has the consent of the employee's supervisor. If the supervisor determines the holiday usage requested is impracticable, the employee shall be credited with eight (8) hours of Saved Holiday time.

2. Holiday Observance

A. If the holiday falls on an employee's first scheduled day off, the preceding workday will be observed as that employee's holiday.

B. If the holiday falls on an employee's second or third day off, the following normally scheduled workday will be observed as that employee's holiday.

C. Shift workers shall observe weekend holidays on the days they occur.

3. Holiday Pay Eligible employees shall receive one (1) day's pay for each of the holidays listed above on which they perform no work. Part-time employees shall receive holiday pay equivalent to their Full Time Equivalency (FTE). To be eligible for

1 holiday pay, employees must be in pay status both on the day before and on the day
2 after the observed holiday; part-time employees must be in pay status on the last
3 scheduled day before and on the first scheduled day after the holiday.

4 4. Holiday During Leave Should an employee be on authorized leave with pay
5 when a holiday occurs, such holiday shall not be charged against such leave.

6 5. Holiday Work Employees required to work on a recognized holiday will be
7 compensated at one-and-one-half (1-1/2) times their regular rate of pay for the holiday
8 worked, in addition to their regular holiday pay.

9 6. Saved Holidays An employee required to work on a recognized holiday may
10 elect to be compensated for such work by electing to convert the time and one-half pay
11 Section 5 to an equal amount of Saved Holiday time. Saved Holiday time may be used
12 at the discretion of the employee with the consent of his or her supervisor, and will be
13 charged in accordance with Article 14, Section 8. Saved Holiday time not used by the
14 end of the fiscal year in which it is accrued will be forfeited. Upon separation from
15 service employees will be paid for unused Saved Holiday time at their regular rate of
16 pay. In the event of an employee's death, his or her heirs will receive payment for
17 unused Saved Holiday time at the employee's regular rate of pay.

ARTICLE 8
VACATION LEAVE

1. Accrual Each permanent employee shall accrue vacation leave from the first day of permanent employment. Vacation leave shall be accrued in accordance with the accrual rates shown in Column 2 of the "Table of Vacation Accrual Rates" in "Section II" below, and accrual balances shall be shown on the employee's check stub.

2. Table of Vacation Accrual Rates

1. <u>Years of Service</u>	2. <u>Hours Accrued Per Pay Period</u>	3. <u>Hours (Weeks) Accrued Per Year by Forty Hour Employees</u>	4. <u>Maximum Hours Accruable</u>
Less than 2	4.0	96 (2.4 wks.)	224
2 to 5	5.0	120 (3.0 wks.)	248
5 to 10	6.0	144 (3.6 wks.)	280
10 to 15	7.33	176 (4.4 wks.)	352
15 or more	9.0	216 (5.4 wks.)	432

A. Accrual rates in Column 2 apply only to straight time hours worked or hours of paid leave. Employees who are not in pay status do not accrue vacation leave. Vacation accrual rates for employees who are not classified as full time employees and work fewer than forty (40) hours during the week will be pro-rated on an hourly accrual basis for hours worked during the pay period.

B. Years of service indicated in Column 1 are continuous County service years as defined in MCPR 1-10-040 and will be adjusted for unpaid leaves of absence, or layoffs, in excess of thirty (30) days. Part-time work will count on a full-time basis.

C. The figures in Columns 2 and 4 are approximations based on the accrual rates shown in Column 2.

D. Accrual rates shown in Column(s) 2 and 4 incorporate two days (sixteen) hours of leave which in previous contracts were allotted to employees as personal holidays.

3. Charging Vacation leave shall be charged in increments in accordance with the uniform time charging provisions of Article 14.

4. Payoff Upon Termination or Death Unused vacation leave shall be paid to the employee at his or her regular rate of pay at the time of separation from service. In the event of an employee's death, unused vacation leave shall be paid to the employee's heirs at his or her regular rate of pay. This section is subject to any restrictions contained in Addendum E – VEBA.

5. Use and Scheduling of Accrued Vacation Employees shall be permitted to choose either a split or entire vacation. Whenever possible, consistent with the needs of the County and the requirement for vacation relief, employees shall have the right to determine vacation times, but in any case vacation times shall be selected on the basis of seniority; however, each employee will be permitted to exercise his or her right of seniority only once per calendar year as provided herein. Use of seniority shall be confined to times during the same calendar year selected during the annual sign-up. The annual sign up may occur each January, beginning on the first work day and ending on the last workday of that month. Employees shall be permitted to express their first, second, and third preferences for vacation times during this sign-up, to ensure orderly selection of preferred vacation times in the event their higher preference times are taken by senior employees. Seniority may not be used to obtain preferred vacation times after the January sign-up concludes. However, seniority may be used during the January sign-up to secure either a continuous vacation or a vacation plan consisting of two (2) or more non-continuous weeklong segments. Sign-up shall be in weekly increments. After the January sign up period, vacation shall be permitted on a "first come, first served" basis.

6. Use of Accrued Vacation for Sick Leave and Other Purposes The requirements for using accrued vacation for sick leave and other purposes and the sequencing of such leave use, is specified in Article 9, "Section 2.C".

7. Use of Accrued Vacation for Emergencies and Preventative Health Care

1 A. Usage of Emergency Leave and Preventative Health Care Leave

2 Employees may use up to twenty-four (24) hours of vacation leave each
3 calendar year for personal emergencies and preventative health care appointments.

4 B. Emergency Leave

5 1. Emergency Leave may be used without prior supervisor approval,
6 but management reserves the right to require verification that the employee has
7 experienced an emergency situation.

8 2. Employees using Emergency Leave shall follow the reporting of
9 leave provisions found in Article 9, Section 6., unless the onset of the emergency is
10 within one (1) hour of the employee's scheduled reporting time, in which case the
11 employee must call in as soon as possible.

12 C. Preventative Care

13 Employees must provide their supervisor a minimum of two (2) weeks
14 advance notice of an appointment qualifying as Preventative Care Leave.

15 D. Misuse and Failure to Properly Report

16 Misuse of Emergency and Preventative Care Leave is cause for disciplinary action, and
17 failure to follow the reporting provisions may result in loss of pay for the day(s) involved.

ARTICLE 9
SICK LEAVE

I. Paid Sick Leave

A. Definition and Allowable Use Sick leave is a leave of absence with pay which may be used when the employee is directly affected by any of the health conditions listed below, or when specified others are affected by the conditions listed, and require the employee's care.

1. Specified others

- a. Members of the employee's immediate household; or
- b. The employee's spouse, parents, or children as defined in the federal Family and Medical Leave Act (hereafter referred to as the "FMLA"); or
- c. The employee's parents-in-law, grandparents and grandchildren as defined in the Oregon Family Leave Act (hereafter referred to as "OFLA"); or
- d. The employee's domestic partner as designated in an Affidavit of Domestic Partnership submitted to Employee Benefits; or
- e. The children and parents of such domestic partner, defined as if the domestic partner was the employee's spouse.

2. Covered health conditions

- a. Any condition covered by FMLA or OFLA; or
- b. Any other illness, injury, or quarantine based on exposure to contagious disease; or
- c. Medical and dental appointments

3. Parental leave Sick leave may be used by employees during Parental Leave as defined by FMLA and/or OFLA, except that the amount of leave taken by the other parent of the employee's child will not affect the amount of Parental Leave available to the employee.

4. Occupationally related conditions Use of sick leave for occupationally related conditions is limited to the provisions of Article 13, Workers Compensation.

1 B. Accrual Employees shall accrue sick leave at the rate of .0461 hours for
2 each straight time hour worked. Sick leave may be accrued on an unlimited basis.
3 Straight time hours worked includes paid holidays and leaves with pay taken during the
4 work week.

5 C. Reporting of Sick Leave An employee who must be absent by reason of
6 illness or injury shall make reasonable effort to notify his or her immediate supervisor at
7 least one (1) hour before the beginning of his or her scheduled shift.

8 D. Use of Sick Leave During Leave Sick leave may not be used during the
9 term of any unpaid leave of absence. Sick leave may not be used during vacation
10 except when the employee notifies the supervisor of the interruption of his or her
11 scheduled vacation and presents reasonable evidence of a bona fide illness or injury
12 upon returning to work.

13 E. Time Charging for Sick Leave Sick leave shall be charged in accordance
14 with the uniform time charging provisions of Article 14.

15 2. Use and Misuse of Leave for Sick Leave Purposes

16 A. Counting Against FMLA, OFLA Entitlements Sick leave and any other
17 forms of paid or unpaid leave used for FMLA and/or OFLA qualifying conditions, or
18 absence due to a deferred or approved Workers Compensation claim based on such
19 conditions, will be counted against an employee's annual FMLA and/or OFLA leave
20 entitlements. Effective January 1, 2008, employees on an absence due to approved
21 Workers Compensation claim will not have such time count against an employee's
22 OFLA leave entitlement.

23 B. Legitimate Use

24 1. Verification of use

25 a. Pursuant to Multnomah County policy, Management must
26 require the completion of a certification form by the employee's health care provider and
27 any other verification required for under the provisions of the FMLA, OFLA, or their
28 successors.

29 b. Management may require medical verification of absence
30 due to non-FMLA and non-OFLA covered illness or injury under the following
31 conditions:

- i. the employee has been absent for more than three (3) consecutive work days; or
- ii. the employee has exhausted all sick leave; or
- iii. the employee has had five (5) or more events with less than twenty-four (24) hours notice in a six (6) month period; or
- iv. management reasonably believes that the absence may not be bona fide.

2. Discipline Subject to the limitations of law, including but not limited to those of the FMLA, discipline may be imposed under the following conditions:

a. Abuse of sick leave

Misuse of sick leave and other forms of leave used in lieu of sick leave are cause for disciplinary action.

b. Use of accrued sick leave

i. Use of accrued sick leave, without abuse of such leave, will not be cause for discipline.

ii. When the intermittent use of accrued sick leave or other paid or unpaid leave used in lieu of sick leave interferes significantly with an employee's ability to perform the duties of his or her job, management may do the following (subject to the requirements of law, including, but not limited to, the FMLA):

- (a) require the employee to take continuous leave;
- or
- (b) change the employee's work assignment for six (6) months or until use of intermittent leave ends, whichever comes sooner.

c. Excessive absenteeism The parties recognize that every employee has a duty to be reliably present at work, and that failure to confine sick leave usage to accrued and available sick leave raises the possibility of discipline for excessive absenteeism. Such cases, however, are subject to just cause review and require systematic examination of relevant factors, including but not limited to:

- i. Any legal requirements, including, but not limited to those of the FMLA or the ADA.

1 ii. The tenure and work history of the employee,
2 specifically to include whether there have been previous instances of this pattern of
3 absenteeism.

4 iii. Whether there is a likelihood of improvement within a
5 reasonable period of time based on credible medical evidence.

6 iv. The particular attendance requirements of the
7 employee's job.

8 v. The pattern of use, and whether the absences are
9 clearly for bona fide sick leave purposes.

10 C. Sequencing of Leaves The use of vacation leave, saved holiday time,
11 compensatory time, and leave without pay is subject to approval by management
12 according to the requirements of Articles 8, 7, 15, and 10, respectively. However,
13 unless otherwise required by law, forms of leave shall be used and exhausted in the
14 following sequences:

15 1. Leave for illness or injury, that does not qualify for FMLA will be
16 taken in the following order:

- 17 a. Sick leave until it is exhausted;
18 b. Vacation leave, saved holiday time, or compensatory time,
19 sequenced at the employee's option, until they are exhausted;
20 c. Leave without pay.

21 2. Leave that qualifies under FMLA will be taken in the following order:
22 a. Paid leave until it is exhausted; employees will determine
23 what order paid leave is used.

- 24 3. Leave for other purposes will be taken in the following order:

29 D. Limitations on the Use of Leave Without Pay in Lieu of Sick Leave

1 Use of leave without pay in lieu of sick leave for non-FMLA and non-OFLA
2 qualifying conditions is subject to the approval of management and further subject to the
3 following provisions:

4 1. Continuous leave In the event of a continuous leave of absence
5 without pay in excess of any legal requirement of the FMLA or OFLA, the County may
6 require from the employee's physician, and/or arrange for the employee to see a
7 physician selected by the County to examine the employee and provide a statement of
8 the disability, current condition, and the anticipated length of current absence. If the
9 County requires the employee to see a physician it has selected, it will pay the costs. If
10 deemed necessary by the County, such an examination shall be repeated every thirty
11 (30) days. If management determines that continued leave would not be in the best
12 interest of the County, then any resulting termination would be subject to review under
13 the just cause standard as to the reasonableness of this determination. Following six
14 (6) months of leave without pay, to include time spent on unpaid FMLA and/or OFLA
15 leave, any extension of the leave shall be deemed permissive on the part of the County
16 and if the employee's leave is not extended, and the employee does not return to work,
17 the employee will be deemed to have resigned.

19 leave is not subject to the six (6) month entitlement provided for above. When such
20 leave significantly affects an employee's job performance and is not subject to the
21 requirements of law (including but not limited to the FMLA), management may evaluate
22 the employee's use of leave according to the criteria of "Section B.2.c" above. Medical
23 information as provided for in "Section D.1" above may be required for the evaluation.
24 After completing the evaluation management may do one of the following:

25 a. Approve a similar pattern of intermittent use of unpaid leave
26 for a specified period followed by another evaluation; or

27 b. Put the employee on a work plan to manage the use of leave
28 without pay, followed by disciplinary action if the plan is not successfully completed; or

29 c. Proceed with the disciplinary process.

30 3. Fitness for Duty The parties recognize that employees have the responsibility to
31 report to work fit for duty. To ensure such fitness, management may send employees

for medical or psychological examination when the supervisor reasonably believes that the employee is not fit for duty or may be a danger to themselves or others. Any such examinations will be at County expense.

4. Incentive Conversion Full-time employees who have worked the twelve (12) months preceding June 30 of any year, (*does not include FMLA/OFLA*) may at their option, convert accrued sick leave to saved holiday time to be taken in accordance with Article 7, Section 6 subject to the following schedule:

In relationships other than those set forth above, under exceptional circumstances, such leave of absence may be granted by the County Chair or his or her designee(s) upon request.

1 6. Disability Insurance Any employee covered by this Agreement may participate
2 in the short-term disability insurance program consistent with carrier contract(s), the
3 monthly premium to be paid individually through payroll deduction.

30 substantially the same or better benefit levels. If a plan or carrier is discontinued and no

1 substitute plan is available of the same service delivery type, the employee will be
2 offered the option to enroll in an alternative service delivery plan.

10 period for their elected County offered medical and/or dental plans. A part-time
11 employee who has elected the Kaiser Maintenance Plan will be reimbursed for the
12 amount of their part-time employee contribution (because this plan does not have a full-
13 time equivalent plan). There is no reimbursement available to employees who have
14 elected the Major Medical Plan or who Opt Out. Any such premium reimbursements
15 made to the employee will be adjusted for appropriate taxes.

16 "Work" for purposes of this section is defined as regular hours worked,

26 policy.

27 13. Shift Differential In addition to the established wage rates, the County shall pay
28 an hourly premium of one dollar (\$1.00) to employees for all hours worked on shifts
29 beginning between the hours of twelve (12:00) p.m. and seven (7:00) p.m. For all hours
30 worked on shifts beginning between seven (7:00) p.m. and six (6:00) a.m., the County

- 1 for each hour worked during that period. Relief shifts will be paid one dollar and twenty-
- 2 five cents (\$1.25) per hour for all hours worked.

ARTICLE 16
DISCIPLINARY ACTION

1. Employees may be subject to disciplinary action by suspension, oral or written reprimand, demotion, reduction in pay, or dismissal; provided, however, that such action shall take effect only after the appointing authority gives written notice of the action and cause to the employee and mails such notice to the Union. This notice provision shall not apply to oral or written reprimands; provided, however, that a copy of any written reprimand must be mailed to the Union on the date of issuance.

2. Any permanent, non-probationary employee who is reduced in pay, demoted, suspended, or dismissed shall have the right to appeal the action through the Grievance Procedure. The standard of review of disciplinary actions appealed under this section shall be the "in good faith for cause" standard.

3. Personnel Files

A. An employee or his or her representative, with written consent of the employee, may inspect that employee's personnel file. Upon written request, an employee or his or her authorized representative shall be given a copy of any materials in his or her personnel file.

B. Except as provided below, an employee may request and have removed from his or her personnel file any letter of reprimand more than two (2) years old.

C. A single letter imposing discipline more severe than a letter of reprimand which is more than five (5) years old will be removed from an employee's personnel file upon his or her request.

D. If there is more than one letter imposing discipline which is more severe than a letter of reprimand on file, none of the disciplinary letters may be removed until the most recent disciplinary letter is more than five (5) years old. At that time, it and all previous disciplinary letters will be removed from the employee's personnel file upon request. For purposes of this subsection, "letter" includes attachments.

ARTICLE 17
SETTLEMENT OF DISPUTES

1. Grievance Procedure Any grievance or dispute which may arise between the parties involving the application, meaning, or interpretation of this Agreement shall be settled in the following manner:

Step I After first attempting to resolve the grievance informally, any employee or the Union may present in writing such grievance to the employee's section or division head through the immediate supervisor within ten (10) working days of the alleged contractual violation. If, at the time of the alleged violation, the employee or his or her representative is unaware of its occurrence, a grievance may be presented in writing within ten (10) working days of the time the employee first has knowledge or should have had knowledge of its occurrence. A grievance may not be initiated concerning an event after sixty (60) days have elapsed; however, in no way is this provision to be interpreted as affecting the pursuance of grievances which are of a continuing nature (i.e., the breach continues and is not a single isolated incident). The grievance notice shall include a statement of the grievance and relevant facts, applicable provisions of the contract, and remedies sought. The supervisor shall then attempt to adjust the matter and respond, in writing, to the employee or his or her representative within ten (10) working days.

Step II If the grievance has not been answered or resolved, it may be presented in writing by the employee or his or her representative to the department head within ten (10) working days after the response is due from the supervisor. The department head shall respond to the employee or his or her representative, in writing, within ten (10) working days.

Step III If the grievance has not been answered or resolved at Step II, it may be presented, in writing, by the grievant to the County Chair, or his or her designee(s), within ten (10) working days after the response of the department head is due. The County Chair, or his or her designee(s), shall respond in writing to the grievant within ten (10) working days.

County Grievances When the County has a grievance, it may be presented in

1 writing to the Union through the County Chair or his or her representative. The parties
2 will each then promptly appoint two (2) persons to serve as a Board of Adjustment to
3 consider the grievance of the County and resolve the dispute. If the Board of
4 Adjustment is unable to resolve the dispute within ten (10) days of the notification to the
5 Union, then the County may request arbitration under Step V of this Grievance
6 Procedure by written notice to the other party. This procedure for County grievances is
7 not exclusive, and the County expressly retains the right to alternately proceed with any
8 other action, including court proceedings, it may deem in its discretion to be advisable
9 or warranted.

10 Step IV If the grievance has not been answered or resolved at Step III, either
11 party may, within ten (10) working days after the expiration of time limit specified in Step
12 III, request arbitration by written notice to the other party.

13 Step V - Arbitration After the grievance has been submitted to arbitration, the
14 parties, or their representatives, shall jointly request the Oregon Mediation and
15 Conciliation Service for a list of the names of seven (7) arbitrators. The parties shall
16 select an arbitrator from the list by mutual agreement. If the parties are unable to agree
17 on a method, the arbitrator will be chosen by the method of alternate striking of names;
18 the order of striking to be determined by lot. One day shall be allowed for the striking of
19 each name. The final name left on the list shall be the arbitrator. Nothing in this section
20 shall prohibit the parties from agreeing upon a permanent arbitrator or permanent list.

21 No less than five (5) days prior to the scheduled arbitration, the parties shall
22 submit to the designated arbitrator a signed stipulation of the issue before the arbitrator.
23 In the event the parties are unable to stipulate the issue in dispute, each party shall, not
24 later than four (4) days prior to the scheduled arbitration, submit to the arbitrator and the
25 other party a signed statement of the issue that party asserts is in dispute.

26 The arbitrator shall be requested to begin taking evidence and testimony within a
27 reasonable period after submission of the request for arbitration taking into account the
28 schedules of the parties' representatives and the arbitrator and witnesses; and he or
29 she shall be requested to issue his or her decision within thirty (30) days after the
30 conclusion of testimony and argument. The parties hereby vest the arbitrator with
31 authority to compel the attendance of witnesses on behalf of either party by issuance of

1 a subpoena, the cost of which shall be borne by the party requesting the subpoena.

2 The arbitrator's decision shall be final and binding, but he or she shall have no
3 power to alter, modify, amend, add to, or detract from the terms of the Contract. His or
4 her decision shall be within the scope and terms of the Contract and in writing. Any
5 decision of the arbitrator may provide for retroactivity not exceeding sixty (60) days prior
6 to the date the grievance was first filed with the supervisor and it shall state the effective
7 date of the award.

8 Expense for the arbitration shall be borne by the losing party. Each party shall
9 be responsible for compensating its own representatives and witnesses. If either party
10 desires a verbatim recording of the proceedings, it may cause such a record to be
11 made, on the condition that it pays for the record and makes copies available without
12 charge to the other party and the arbitrator.

13 Any time limits specified in the grievance procedure may be waived by mutual
14 consent of the parties. A grievance may be terminated at any time upon receipt of a
15 signed statement from the aggrieved party that the matter has been resolved.

16 2. Stewards and the Processing of Grievances

17 A. Employees selected or elected by the Union as employee representatives
18 shall be known as "stewards." The names of the stewards and the names of other
19 Union representatives who may represent employees shall be certified in writing to the
20 County by the Union. Stewards may investigate and process grievances during working
21 hours without loss of pay. All efforts will be made to avoid disruptions and interruptions
22 of work.

23 B. Departure from the established Grievance Procedure outlined in this
24 article by any employee shall automatically nullify the Union's obligation to process the
25 grievance.

ARTICLE 18
GENERAL PROVISIONS

1. No Discrimination The provisions of this agreement shall be applied equally to all employees in the bargaining unit without discrimination as to age, marital status, race, color, sex, creed, religion, national origin, political affiliation, gender identity, source of income or familial status. It is further agreed that there will be no discrimination against the handicapped unless bona fide job related reasons exist. The Union shall share equally with the County the responsibility for applying the provisions of the Agreement.

 All references to employees in this Agreement designate both sexes, and wherever the male gender is used it shall be construed to include male and female employees.

 The County and the Union agree not to interfere with the rights of employees to become members or refrain from becoming members of the Union, and there shall be no discrimination, interference, restraint, or coercion by the County or Union or any County or Union representative against any employee because of Union membership or any employee activity in an official capacity on behalf of the Union, or for any other cause, provided such activity or other cause does not interfere with the effectiveness and efficiency of County operations in serving and carrying out its responsibility to the public.

2. Bulletin Boards The County agrees to furnish and maintain suitable bulletin boards in convenient places in each work area to be used by the Union. The Union shall limit its postings of notices and bulletins to such bulletin boards. All postings of notices and bulletins by the Union shall be factual in nature and shall be signed and dated by the individual doing the posting.

4. Changes in Existing Conditions The County will solicit and be receptive to the

input of the Union regarding changes in existing working conditions proposed by the County, and any such changes shall not be made for arbitrary or capricious reasons.

Any unresolved dispute as to the reasonableness of a change in existing working conditions shall be resolved through the grievance procedure.

Whenever any existing conditions are changed, they shall be posted prominently on all bulletin boards for a period of ten (10) consecutive work days prior to becoming effective.

5. Rules

A. All future work rules shall be subject to discussion with the Union before becoming effective.

D. The County shall provide new employees a copy of the Agreement and rules at time of hire.

E. Any dispute as to the reasonableness of any new rule, or any dispute involving discrimination in the application of new or existing rules may be resolved through the grievance procedure.

6. Tool Replacement The County agrees to replace all tools required by the employer to be furnished by employees when such tools become damaged beyond usability or are lost or stolen while on the job. A "proof of loss by theft" statement must be signed by the employee prior to recovery for theft.

7. Uniforms and Protective Clothing If an employee is required to wear uniform, protective clothing, or any type of protective device, in the performance of his or her duties, such uniform, protective clothing, or protective device shall be furnished by the County; the cost of maintaining the uniform or protective clothing or device, including initial tailoring, shall be paid by the County, in accordance with the current practice. The County will pay the cost of cleaning required protective clothing.

8. Seniority

1 A. Seniority will be determined as follows:

2 1. Total length of continuous service within the affected job
3 classification within the affected department; if a tie occurs, then

4 2. Total length of continuous service within the affected Department; if
5 a tie occurs, then

6 3. Total length of continuous service within the County; if a tie occurs,
7 then

8 4. Score on the last performance evaluation awarded under the
9 system to be developed in accordance with MCC 9.03; if no system exists, then score
10 on original entrance examination.

11 5. Time spent in an abolished classification that has a current
12 equivalent will count towards seniority in the equivalent classification.

13 B. In computing seniority for permanent employees, the following factors will
14 be taken into account:

15 1. Part-time work within the same classification will be counted on a
16 pro rated hourly basis.

17 2. Time spent on authorized leave without pay that exceeds thirty (30)
18 calendar days will not count.

19 3. Time spent in a trainee capacity (e.g., PEP, WIN, CETA, or other
20 state or federally funded programs) will not be included.

21 4. Time spent in classification in previous government service will be
22 included if the employee transferred in accordance with ORS 236.610 through 236.650.

23 5. Time spent on layoff will not count.

24 C. Seniority shall be forfeited by discharge for cause or voluntary termination.

25 D. On May 15 of each year, the County shall furnish to the Union sufficient

27 Addendum A.

28 E. Employees may protest their seniority designation through the grievance
29 procedure outlined in this agreement.

30 9. Merger and Consolidation Prior to any merger or consolidation of any Division,
31 Bureau, or Department by the County with any other governmental agency, the County

1 shall notify and consult with the Union if members of the bargaining unit would be
2 affected directly by such merger or consolidation.

3 10. Reduction in Force Layoffs will be in accordance with Multnomah County Code
4 9.03 or its successor and the Personnel Rules pertaining thereto.

5 11. Contract Work

6 A. Unless mutually agreed, the County will not contract out or subcontract
7 any work now performed by employees covered by this Agreement when such would
8 result in loss of employment by any bargaining unit employee(s) and the County is
9 unable to find suitable or comparable alternate employment for the employee(s).
10 However, this provision shall not apply to contracting out or subcontracting work such
11 was anticipated and considered as a part of and during budget procedures.

12 B. If during the budget procedure contracting or subcontracting is considered,
13 the County agrees to meet with the Union to discuss the effect of such action prior to
14 the discussion of such proposals by the budget committee.

15 C. The County further agrees to meet with the Union, at its request, to
16 explore the alternative of work force reduction by attrition. The County also agrees that,
17 to the extent practicable, transfers shall be made to open vacancies, and
18 re-employment of employees affected by such action shall occur for as long as they are
19 so qualified in accordance with established layoff guidelines. The Union agrees to
20 assist the County in minimizing the impact on such affected employees.

21 12. Safety Rules When Workers are employed on electrical work in manholes or in
22 vaults, there shall be one (1) or more journeymen electricians present at all times to
23 assist the employee. Workers shall be provided with all approved safety devices. On or
24 immediately adjacent to all energized circuits of four-hundred-forty (440) volts or more,
25 two (2) or more journeymen electricians must work together, as a safety measure.

26 The County will furnish all safety devices necessary to comply with existing and
27 future State and Federal safety requirements. No employee shall be disciplined for
28 refusal to violate the Safety Codes or the laws of the State of Oregon.

29 13. Supremacy of Contract To the extent allowable by law, whenever a conflict
30 arises between this agreement and Multnomah County Code 9.03 et seq. or its
31 successor, this Agreement shall prevail.

14. Work Assignment Vacancies Employees shall be granted at their request preference of assignment within their classification according to their respective seniority provided they are qualified to perform the duties of the assignment. Upon appointment to a new permanent work assignment, including transfers, the employee will serve a trial period of ninety (90) working days to demonstrate his or her ability to fulfill the requirements of the assignment. If the employee does not satisfactorily fulfill the requirements of the assignment, such employee will be returned to his or her previous work assignment. Such determination of satisfactory performance within the ninety (90) day trial period will be made by management.

15. Performance Evaluation Process

A. The County may implement and maintain performance evaluation processes involving members of the bargaining unit.

B. Employees will have the right to attach a response to any evaluations in their personnel files.

C. No evaluations or employee responses will be admissible in any disciplinary or arbitration hearing.

D. All performance evaluations shall be signed by the employee's supervisor, who shall bear ultimate responsibility for the content of the evaluation.

16. Bus Pass

A. Statement of Purpose For the purposes of encouraging employees to use mass transit as part of the County's ride reduction program under the Oregon Department of Environmental Quality (DEQ)'s Employee Commute Options (ECO) mandate, as well as part of the County's commitment to limiting traffic congestion and promoting clean air, effective November 1, 2001, each employee shall be eligible to receive a bus pass entirely subsidized by the County for the employee's personal use.

B. Scope of Subsidy

1. The County will provide a one-hundred percent (100%) subsidy for employee bus passes. However, the County may require that the employee pay a percentage if the County's subsidy exceeds the IRS standard for a de minimis employee benefit.

It will be the employee's responsibility to obtain the necessary

1 Photo ID from Tri-Met. Instructions for obtaining the photo ID will be available through
2 Employee Benefits and will be included in new hire packets.

3 2. This program is offered only by Tri-Met. However C-Tran will honor
4 the Tri-Met all zone pass.

5 C. Procedural Requirements The procedural requirements for obtaining the
6 pass and verification that the pass has been used solely by the employee shall be the
7 same as apply to exempt employees. Such requirements may change from time to
8 time to ensure efficient and effective implementation of the program.

ARTICLE 19
STANDARDS

The County may establish reasonable job performance standards, and may, from time to time, revise them. Such standards shall be individually stated to each affected employee, in order to assure advance comprehension and understanding of performance requirements. No employee shall be subject to disciplinary action for failure to meet standards of performance unless such employee has been fully advised of such expected performance standards in advance of the work period in question.

ARTICLE 20

SAVINGS CLAUSE AND FUNDING

1. Savings Clause If any article, section, or portion thereof of this Agreement is held unlawful and unenforceable by any court of competent jurisdiction, or any administrative agency having jurisdiction over the subject matter, such decision shall apply only to the specific article, section, or portion thereof directly specified in the decision. Upon the issuance of any such decision, the parties agree immediately to negotiate a substitute, if possible, for the invalidated article, section, or portion thereof. All other portions of this Agreement, and the Agreement as a whole, shall continue without interruption for the term hereof.

2. Funding The parties recognize that revenue needed to fund the wages and benefits provided by the Agreement must be approved annually by established budget procedures. All such wages and benefits are, therefore, contingent upon sources of revenue and annual budget approval. The County has no intention of cutting the wages and benefits specified in this Agreement because of budgetary limitations, but cannot and does not guarantee any level of employment in the bargaining unit covered by this Agreement. The County agrees to include in its annual budget request amounts sufficient to fund the wages and benefits provided by this Agreement, but makes no guarantee as to the passage of such budget request pursuant to established budget procedures. This Section 2 and County action hereunder shall not be subject to the Resolution of Disputes Procedures hereinbefore set out.

ARTICLE 21
ENTIRE AGREEMENT

The parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. This Agreement constitutes the sole and entire existing Agreement between the parties. Except as specifically modified by or treated in this Agreement, all policies, matters, questions and terms affecting unit employees in their employment relationship with the County shall be governed by the rules and regulations of the Employee Services Division and by Multnomah County Code 3.10, or its successor. The County and the Union for the life of this Agreement each voluntarily and unqualifiedly waives the right, and agrees that the other shall not be obliged, to bargain collectively with respect to any subject or matter referred to or covered by this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either party or both parties at the time that they negotiated and signed this Agreement.

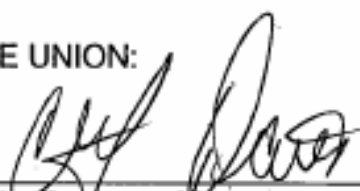

Nothing in this article shall preclude the parties during the term of this Agreement from voluntarily entering into amendments to the Agreement, nor shall the Union and the County Chair or his or her designee(s) for labor relations be precluded from voluntarily entering into Memoranda of Understanding, Interpretation, or Exception concerning matters of contract administration.

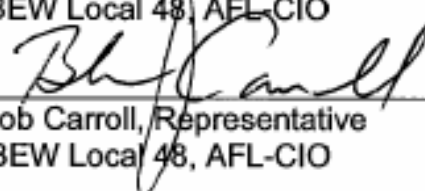

ARTICLE 22
TERMINATION

This Agreement shall be effective as of the 1st day of July 2007 and shall remain in full force and effect through the 30th day of June 2012, and shall be automatically renewed from year to year thereafter, unless either party notifies the other in writing between January 1, 2012 and March 1, 2012 that it wishes to modify the agreement for any reason. The contract shall remain in full force and effect during the period of negotiations.

IN WITNESS WHEREOF, the Parties hereto have set their hands this 13th day of December, 2007.

1. In a department where three (3) or more electricians are employed or work together without on-site supervision there will be a lead worker assigned. Assignment and selection of such lead worker shall be at the sole discretion of the County.

2. If an exempt employee is not available to perform such duties or if it is otherwise deemed by the County convenient to do so, the County may assign the functions of a licensed Supervising Electrician to employees assigned as Lead worker; PROVIDED, that such employees possess the required Supervising Electrician license.

3. Employees simultaneously assigned to perform duties as lead worker and Supervising Electrician pursuant to section 2 above shall hereafter receive a differential for all hours worked in such simultaneous assignment equal to three percent (3%) of straight-time Electrician/Electronic Technician wages, in addition to the eight and six-tenths (8.6%) differential he or she would normally receive for serving as Lead worker.

An assignment may only be designated for premium pay if, in the supervisor's judgment, the employee has the demonstrated skills and abilities to competently perform the assignment. This precludes such designation for on-the-job training given to aid in acquisition of such skills and abilities. For purposes of this Addendum A-3, "bench work" means journeyman level troubleshooting and repair of radios, sirens, Mobil Digital Terminals units, or Closed Circuit Television equipment at the component level on circuit boards.

ADDENDUM C

COMPOSITE VERSION OF MULTNOMAH COUNTY

EXEMPT EMPLOYEE RETIREE INSURANCE POLICY

(EXHIBIT B OF ORDINANCE 534 AS AMENDED BY

ORDINANCES NOS. 629 & 670)

1. **Retiree Medical Insurance**

A. For purposes of this section, a "retiree" refers to a person who retired from the County on or after the effective date of this section and, at the time of retirement, occupied a position covered by the "Exempt" compensation plan. For purposes of this section, a "member" refers to an active employee(s) in a position covered by the "Exempt" compensation plan.

B. Except as otherwise provided by this section, retirees may continue to participate in the County medical plan available to members. Coverage of eligible dependents uniformly terminates when coverage of the retiree terminates, except as otherwise required by applicable state or federal law.

C. To the extent members are permitted to choose from among two (2) or more medical insurance plans, retirees shall be permitted to choose between the same plans under the same conditions and at the same time as apply to members. Retirees participating in the members' medical insurance plan shall be subject to the application of any change or elimination of benefits, carrier, administrator, or administrative procedure to the same extent and at the same time as are members.

D. The retiree shall be responsible for promptly notifying the Benefits Manager (Employee Services Division), in writing, of any changes in the retiree's current address and of any changes in retiree or dependent eligibility for coverage.

E. The following terms related to benefit payments, service, and age requirements shall also apply:

1. The County shall pay one-half (1/2) of the monthly medical insurance premium on behalf of a retiree and his or her eligible dependents from the retiree's fifty-eighth (58th) birthday or date of retirement, whichever is later, until the

1 retiree's sixty-fifth (65th) birthday, death, or eligibility for Medicare, whichever is earlier,
2 if the retiree had:

3 a. five (5) years of continuous County service immediately
4 preceding retirement at or after age fifty-eight (58) years, or

5 b. ten (10) year of continuous County service immediately
6 preceding retirement prior to age fifty-eight (58) years, or

7 c. ten (10) years of continuous County service immediately
8 preceding retirement in the event of disability retirement.

9 2. The County shall pay one-half (1/2) of the monthly medical
10 insurance premium on behalf of a retiree and his or her eligible dependents from the
11 retiree's fifty-fifth (55th) birthday or date of retirement, whichever is later, until the
12 retiree's sixty-fifth (65th) birthday, death, or eligibility for Medicare, whichever is earlier,
13 if the employee had thirty (30) years of continuous service with employers who are
14 members of the Oregon Public Employee Retirement System and twenty (20) or more
15 years of continuous County service immediately preceding retirement.

16 3. Actual application for Medicare shall not be required for a finding
17 that a retiree is "eligible for Medicare" under Subsection e of this section.

18 4. Part-time service in a regular budgeted position shall be prorated
19 for purposes of the service requirements under Subsection e of this section. (For
20 example, twenty (20) hours per week for two (2) months would equal one (1) month
21 toward the applicable service requirement.)

22 5. In addition to the other requirements of this section, continued
23 medical plan participation or benefit of County contributions is conditioned on the
24 retiree's continuous participation in the members' medical insurance plan from the time
25 of retirement, and upon the retiree's timely payment of the applicable retiree portion
26 (i.e., 50% or 100% as applicable) of the monthly premium. Failure to continuously
27 participate or make timely and sufficient payment of the applicable retiree portion of the
28 monthly premium shall terminate the retiree's rights under this section. Payments by
29 retirees of their portion of the monthly premiums under this section shall be timely if the
30 retiree has directed PERS to regularly deduct his or her portion of the monthly premium
31 from his or her pension check and remit the proceeds to the County's collection agent,

1 or if it is received by the County's collection agent each month at least thirty (30) days
2 prior to the month for which the resulting coverage will apply. The Employee Services
3 Division shall inform the retiree at the time he or she signs up for continued medical
4 insurance coverage of the identity and address of the County's collection agent and
5 shall thereafter inform the retiree of any change in collection agent at least forty-five (45)
6 days prior to the effective date of such change.

7 I. In the event County medical insurance premium payments on behalf of
8 retirees or their dependents are made subject to state or federal taxation, any additional
9 costs to the County shall be directly offset against such payments required under this
10 section. (For example, if the effect on the County of the additional tax is to increase the
11 County's outlay by an amount equivalent to ten percent (10%) of aggregate monthly
12 retiree premium, the County's contribution shall be reduced to forty percent (40%) of
13 premium so that net County costs will remain unchanged).

14 J. The parties 1998–2001 Agreement provided for an alternative Retiree
15 Medical Insurance benefit as follows:

16 2. Retirees Employees who retire from the County shall be eligible to
17 participate in the County's retiree medical insurance program subject to the same terms,
18 conditions, and limitations as applied to Exempt County employees at the time this
19 Contract is executed, pursuant to Ordinance Nos. 629 and 670, set forth in Addendum
20 C, attached hereto and by this reference incorporated herein. However, employees
21 hired before July 1, 1992 who retire from the County with ten (10) or more years of
22 continuous service may, in lieu of coverage under the terms of the foregoing retiree
23 insurance provisions, elect an alternate retiree insurance benefit whereby the employer
24 will pay one-hundred percent (100%) of the premium for the employee and his or her
25 eligible dependents from age sixty (60) or date of retirement, whichever is later, until the
26 employee is eligible for Medicare. The election to participate in this alternative program
27 must be made in writing, signed by the employee, and received by the Director of the
28 County's Employee Services Division not later than June 30, 1999. An employee who
29 elects the alternate program and who retires from the County early with ten (10) or more
30 years continuous service may receive the employer-paid benefit beginning at age sixty
31 (60) provided the employee continuously participates in the County's medical plan by

1 timely payment of the full premium due from the date of retirement until age sixty (60).
2 After such employee reaches age sixty-five (65), he or she may continue to
3 continuously participate in the County's medical plan by timely payment of the monthly
4 premium.

5 If the union elects to require out of pocket medical contributions by payroll
6 deduction pursuant to section 3 of this Article, the employer contribution toward eligible
7 retirees' insurance shall be one-hundred percent (100%) of the contribution it makes for
8 an active employee on the same plan and participation level, rather than one-hundred
9 percent (100%) of the premium, for employees hired prior to July 1, 1992 who timely
10 elect the above-referenced alternative plan, or fifty percent (50%) of the contribution the
11 employer makes for an active employee on the same plan and participation level, rather
12 than fifty percent (50%) of the premium, for employees on the plan set out in Addendum
13 C.

14 The following employees elected this option and are eligible to participate in this benefit:

- 15 1. Foltz, Michael
- 16 2. Herrick, Roger
- 17 3. How, Henry
- 18 4. Saltzman, Larry
- 19 5. Sepich, Anthony
- 20 6. Skinner, Larry

ADDENDUM D
DRUG AND ALCOHOL POLICY

I. Drug Free Workplace Act Multnomah County, in keeping with the provisions of the federal Drug Free Workplace Act of 1988, is committed to establishing and maintaining a work place, which is free of alcohol and drugs and free of the effects of prohibited alcohol and drug use.

2. Holders of Commercial Drivers Licenses While references to rules governing holders of Commercial Drivers Licenses (CDLs) are included below, they are not comprehensive. CDL holders are responsible for complying with all laws, work rules, or County procedures pertaining to them, in addition to the requirements of this addendum.

3. Alcohol and Drug Policy Work Rules and Discipline

A. Conduct Warranting Discipline

1. While on duty, or on County premises, or operating County vehicles employees shall obey the work rules listed in "Section B" below. As with all work rules, violations may result in discipline per the provisions of Article 16, Disciplinary Action.

2. Employees will not be subject to discipline for seeking treatment for alcohol or drug dependency. However, employees will be held fully accountable for their behavior. Seeking treatment will not mitigate discipline for rule violations or other unacceptable conduct caused by such dependency.

B. Work Rules

1. Possession, consumption, and distribution of alcohol and drugs while on duty

Employees shall:

a. Not possess, consume, manufacture, distribute, cause to be brought, dispense, or sell alcohol or alcohol containers in or to the work place except when lawfully required as part of the job. An exception will be sealed alcohol containers for gift purposes; supervisors must be notified when such containers are brought to the work place. The "work place" includes vehicles parked on County property.

b. Not possess, consume, manufacture, distribute, cause to be brought, dispense, or sell illegal drugs or drug paraphernalia, in or to the work place

except when lawfully required as part of the job.

c. Not distribute, dispense or sell prescription medications except when lawfully required as part of the job.

d. Not possess or consume prescription medications without a valid prescription.

2. Possession, consumption, and distribution of alcohol and drugs while off duty on County premises

Employees shall:

a. Not use, possess, or distribute illegal drugs.

b. Not use or distribute alcohol without authorization.

3. Fitness for duty

Employees shall:

a. Not report for duty while “under the influence” of alcohol or drugs. An individual is considered to be “under the influence” of alcohol if a breathalyzer test indicates the presence of alcohol at or above the four-one-hundredths percent (.04%) level. An individual is considered to be “under the influence” of drugs when testing indicates the presence of controlled substances at or above the levels applying to CDL holders.

b. Not render themselves unfit to fully perform work duties because of the use of alcohol or illegal drugs, or because of the abuse of prescription or non-prescription medications.

c. Comply with legally mandated occupational requirements, whether or not they are specifically included in this policy. For example, by law holders of CDL’s may not perform safety sensitive functions, such as driving, at or above the two-one-hundredths percent (.02%) level.

d. Not be absent from work because of the use of alcohol or illegal drugs, or because of the abuse of prescription or non-prescription medications, except when absent to participate in a bona fide assessment and rehabilitation program while on FMLA and/or OFLA leave.

e. Inform themselves of the effects of any prescription or non-prescription medications by obtaining information from health care providers,

1 pharmacists, medication packages and brochures, or other authoritative sources in
2 advance of performing work duties.

3 f. Notify their supervisors in advance when their use of
4 prescription or non-prescription medications may impair the employee's ability to
5 perform the essential functions of their position that will result in a direct threat to others.
6 Such employees include, but are not limited to, sworn officers, holders of a CDL, and
7 those handling hazardous equipment or materials. Employees who drive a motor
8 vehicle as part of their job, whether a County vehicle or their personal vehicle, should
9 report when they are taking any medication that may impair their ability to drive.

10 4. Cooperation with Policy Administration

11 Employees shall:

12 a. Not interfere with the administration of this Drug and Alcohol
13 Policy. Examples include, but are not limited to, the following: tainting, tampering, or
14 substitution of urine samples; falsifying information regarding the use of prescribed
15 medications or controlled substances; or failure to cooperate with any tests outlined in
16 this policy to determine the presence of drugs or alcohol.

17 b. Provide to Human Resources within twenty-four (24) hours
18 of request a current valid prescription in the employee's name for any drug or
19 medication which the employee alleges gave rise to reasonable suspicion of being
20 under the influence of alcohol or drugs.

21 c. Respond fully and accurately to inquiries from the County's
22 Medical Review Officer (MRO); authorize MRO contact with treating health care
23 providers upon request.

24 d. Complete any assessments or treatment programs required
25 under this Policy.

26 e. Sign a waiver upon request authorizing treatment providers
27 to disclose confidential information necessary to verify successful completion of any
28 assessment or treatment program required under this Policy.

29 f. Disclose promptly (upon the next working day) and fully to
30 his/her supervisor:

31 i. All drug or alcohol-related arrests, citations,

convictions, guilty pleas, no contest pleas or diversions which resulted from conduct which occurred while he or she was on duty, on County property, or in a County vehicle; or

ii. Any other violation of laws regulating use of alcohol and controlled substances which adversely affects an employee's ability to perform major job functions, specifically to include loss or limitation of driving privileges when the employee's job is identified as requiring a valid license.

C. Levels of Discipline

1. The level of discipline imposed on non-probationary employees for violation of the Alcohol and Drug Policy Work Rules above or other violations resulting from the use of alcohol or drugs will be according to the provisions of Article 16, Disciplinary Action.

2. Employees will be held fully accountable for their behavior. Use of alcohol or drugs, or alcohol or drug dependency, will not mitigate the discipline imposed for rule violations, misconduct, or poor performance except as specifically provided in the section on last chance agreements below.

3. The Parties acknowledge that, all other things being equal, certain duties imply a higher standard of accountability for compliance with the requirements of this policy than others. These duties include, but are not limited to, the following:

- a. carrying firearms
- b. work in the criminal justice system
- c. responsibility for public safety or the safety of co-workers
- d. handling narcotics or other controlled substances
- e. handling hazardous equipment or materials
- f. influencing the behavior of minors
- g. holding a Commercial Drivers License

4. In instances in which the County determines that an employee's conduct warrants termination, the County may offer the employee continued employment under the terms of a last chance agreement if there are mitigating circumstances, such as a substance abuse dependency or other good cause. An example of a Last Chance Agreement is included as an attachment to this Addendum.

1 a. Any Last Chance Agreement will include but not be limited
2 to, the following:

3 i. the requirement that the employee enroll, participate
4 in, and successfully complete a treatment program as recommended by the Substance
5 Abuse Professional;

6 ii. the right for the County to administer any number of
7 unannounced follow up drug or alcohol tests at any time during the work day for a
8 period of two (2) years from completion of any required treatment or education program;

9 iii. the signatures of the employee's supervisor, the
10 employee, and the employee's Union representative.

11 b. The offer of a Last Chance Agreement will not set precedent
12 for the discipline of other employees in the future. Any discipline incorporated in a Last
13 Chance Agreement may not be grieved under the provisions of Article 17, Settlement of
14 Disputes.

15 D. Mandatory Assessment and Treatment

16 1. Employees who are disciplined for conduct which is related to the
17 use of alcohol or drugs may be required to undergo assessment and to complete a
18 program of education and/or treatment prescribed by a Substance Abuse Professional
19 selected by the County. Employees who test positive for alcohol or controlled
20 substances will be required to undergo assessment at the earliest opportunity,
21 regardless of whether disciplinary action has been taken.

22 2. The County will verify employees' attendance, and that the
23 assessment and treatment have been completed. This verification and any other
24 information concerning alcohol and drug dependency will be treated as confidential
25 medical information per applicable state and federal law and County Administrative
26 Procedures.

27 3. Policy on the use of leave for assessment and treatment will be the
28 same as for any other illness.

29 E. Return to Work Testing

30 Employees who test positive for being "under the influence" of drugs will
31 be required to test negative before returning to work. (Note that Federal law requires

CDL holders performing safety sensitive functions to undergo return to work testing after a positive alcohol or drug test.)

4. Testing

A. Basis for Testing

1. All employees may be tested:

a. based on reasonable suspicion of being “under the influence” of alcohol or prohibited drugs;

b. before returning to work after testing positive for being “under the influence” of alcohol or drugs;

c. as part of a program of unannounced follow-up testing provided for in a Last Chance Agreement.

2. An employee applying for a different County position will be subject to testing on the same basis, and using the same procedures and methods, as outside applicants.

3. Holders of Commercial Drivers Licenses (CDLs) and Bridge Operators shall be subject to the testing requirements of federal law, in addition to the requirements herein which apply to all employees. For example, unlike other employees, CDL holders will be subject to legally required random testing and testing following certain kinds of accidents.

B. Establishing Reasonable Suspicion

1. Definition

a. “Reasonable suspicion” is a set of objective and specific observations or facts which lead a supervisor to suspect that an employee is under the influence of drugs, controlled substances, or alcohol. Examples include, but are not limited to: slurred speech, alcohol on the breath, loss of balance or coordination, dilated or constricted pupils, apparent hallucinations, high absenteeism or a persistent pattern of unexplained absenteeism, erratic work performance, persistent poor judgment, difficulty concentrating, theft from office or from other persons, unexplained absences during office hours, or employee's admission of use of prohibited substances.

2. Supervisory training

The County will provide training to all supervisors on establishing

1 reasonable suspicion and the nature of alcohol and drug dependency. Supervisors who
2 have not been trained will not have the authority to direct employees to be tested on the
3 basis of reasonable suspicion of being under the influence.

4 3. Lead Workers Lead workers who oversee day-to-day work
5 activities are "supervisors" for the purposes of establishing reasonable suspicion and
6 directing employees to be tested on that basis. This provision applies to lead workers
7 who supervise or act as lead workers as part of their job description, (such as
8 Corrections Records Supervisors and Maintenance Crew Leaders), as well as to those
9 who receive premium pay under Addendum A-2, Lead Worker.

10 4. Additional precautions Application of the "Reasonable
11 Suspicion" standard to any employee in this bargaining unit shall include the
12 following additional precautions:

13 a. The supervisor shall articulate orally a summary of the
14 specific facts which form the basis for believing that the employee is under the influence
15 of drugs or alcohol; and

16 b. The supervisor shall provide upon request within forty eight
17 (48) hours of the oral determination of "reasonable suspicion" a written specification of
18 the grounds for reasonable suspicion; and

19 c. Except in field or shift circumstances which render contact
20 difficult, no supervisor shall refer an employee for a drug or alcohol test based on
21 "reasonable suspicion" unless the supervisor has consulted with another supervisor or
22 managerial person regarding the grounds for the suspicion.

23 C. Testing Methodology

24 1. Testing procedures for all employees will be governed by the same
25 standards as apply to CDL drivers under federal law. These standards include, but are
26 not limited to, those governing sample acquisition, the chain of custody, laboratory
27 selection, testing methods and procedures, and verification of test results.

28 2. In accordance with CDL standards, the County will contract with a
29 medical doctor trained in toxicology to act as an MRO (Medical Review Officer). He or
30 she will attempt to contact employees to review preliminary positive test results with
31 employees and any relevant health care providers before the results are reported to the

County. Based on his or her professional judgment, he or she may change the preliminary test result to negative. The County will not be able to distinguish a test result that is negative by MRO intervention from any other negative result.

3. In addition to compliance with federal guidelines, the following safeguards will also be applied:

a. Test results will be issued by the MRO or the testing laboratory only to the County's Drug and Alcohol Policy Coordinator. The results will be sent by certified mail or hand-delivered to the employee within three (3) working days of receipt of results by the County.

b. Appeals. If an employee disagrees with the results of the alcohol or drug test, the employee may request, in writing, within five (5) days of receipt of test results, that the original sample be re-tested at the employee's expense by the testing laboratory. The result of any such retest will be deemed final and binding and not subject to any further test. Failure to make a timely written request for a retest shall be deemed acceptance of the test results. If an employee requests a retest, any disciplinary action shall be stayed pending the results of the re-testing.

c. Test reports are medical records, and will be handled according to applicable state and federal law and County Administrative Procedures which insure the confidentiality of such records.

5. Definitions

Sample Last Chance Agreement

LAST CHANCE AGREEMENT

The following agreement is entered into between Multnomah County and the Employee. Failure on the part of the employee to meet the expectations below will result in the termination of his or her employment with the County.

1. I agree to be evaluated by a qualified alcohol/substance abuse counselor, and if required, I shall immediately enroll and continue in a bona fide alcohol/drug inpatient or outpatient rehabilitation program approved by the County. I fully understand that should I fail to complete either the inpatient or outpatient program, my employment with the County will be terminated.

2. I agree to comply with and complete the conditions of my "Aftercare Plan" as recommended by my treatment counselor. If I must be absent from my aftercare session, I must notify the County. The County has my permission to verify my attendance at required meetings. If I do not continue in the aftercare program, I understand that my employment will be terminated.

3. I understand that the signing of this agreement shall allow the County the right to communicate with my physician and/or counselors regarding my status and progress of rehabilitation and aftercare. I further agree to sign any authorization or release of information necessary to allow for such communication.

4. I agree to submit to periodic, unannounced, unscheduled drug or alcohol testing (urinalysis and breath test) by the County for a period of twenty-four (24) months from the date I return to work. This time period will increase accordingly if I am absent from work, for any reason, for a cumulative period of one month or more. I understand that if I refuse to take a drug and/or alcohol test or if a test is positive, my employment will be terminated.

1
2 5. I agree to return to work upon successful completion of an alcohol/drug
3 rehabilitation program if my substance abuse counselor requires inpatient treatment.
4

5 6. It is understood that this agreement constitutes a final warning.
6

7 7. I understand the Employee Assistance Program is available to me should
8 personal problems arise in the future that may have an effect on my ability to remain in
9 compliance with the drug and alcohol policy and/or this agreement.
10

11 8. I realize that violation of the drug and alcohol rules and/or policies at any time in
12 the future is cause for termination.
13

14 9. I realize that my employment will be terminated if I fail to meet the expectations
15 outlined in this Agreement and the letter attached.
16

17 Disciplinary Action

18 I understand that the disciplinary action imposed in the attached letter may not be
19 grieved under the grievance procedure in the Local 48 contract.
20

21 Personal Commitment

22 I pledge and agree to abide by the terms of this agreement. I understand that a
23 violation of or noncompliance with any of these terms will result in my being terminated.
24 Further, I pledge to remain free of all illegal drugs and also not to abuse legal drugs
25 (including alcohol). I hereby consent to the County's contacting any treatment or health
26 care provider who may have information on my alcohol or drug dependency condition
27 and/or compliance with the terms of this agreement and authorize the provider to furnish
28 such information to the County.
29

30 I understand the terms and conditions of this letter. I also understand that, except as
31 expressly stated in this agreement, my terms and conditions of employment will be

determined by the County's policies and rules, and that this agreement does not guarantee me employment for any set period of time. I have had sufficient time to study it away from the work place and to consult anyone I desire about it. I sign it free of any duress or coercion. This letter will become part of my personnel file.

ADDENDUM E

Voluntary Employee Beneficiary Association

The County will contribute to a Voluntary Employee Beneficiary Association (VEBA) in accordance to the following provisions:

1. Wages The County will contribute an amount equal to three percent (3%) of each Local 48 member's hourly rate (defined as three percent (3%) of base and overtime wages) toward VEBA. This conversion of wages to benefits will reduce the hourly wage by three percent (3%). The conversion of three percent (3%) of wages to benefits is applied to the compensation calculation of base wages and overtime for each payroll period. The result is that the three percent (3%) will vary based upon numbers of hours worked and any increases in compensation to the hourly base wage, either as a step increase or subsequent COLA increase.

Example: 6/30/03 base wage \$20.00 with a 2.5% COLA effective 7/1/03 = \$20.50.

$\$20.50 \times 3\% \text{ VEBA} = \$19.88 \text{ base wage (rounded)}$

$\$20.50 \times 3\% \text{ VEBA} = \$00.62 \text{ VEBA contribution (rounded)}$

$\$20.50$

2. Vacation The VEBA plan will also be funded by conversion of one hundred percent (100%) of accrued vacation cash out upon voluntary termination of employment from Multnomah County. Voluntary termination is identified by the following:

SAP TERMINATION CODES AND LEGEND

01	Voluntary – OTHER EMPLOYMENT
02	Voluntary – PERMANENT DISABILITY
03	Voluntary – RETIREMENT (Regular or Disability)

04	Voluntary – FAMILY DEMANDS-STAYING HOME
05	Voluntary – INSUFFICIENT PAY
06	Voluntary – ISSUES WITH MANAGER
07	Voluntary – ISSUES WITH PEERS
08	Voluntary – JOB ABANDONMENT
09	Voluntary - DEATH
10	Voluntary - PERSONAL HEALTH
11	Voluntary – SCHOOL
12	Voluntary – TRANSPORTATION/COMMUTE
13	Voluntary – WORKING HOURS
14	Voluntary – OTHER VOLUNTARY RESIGNATION

1

2 Employee transfers which are the result of an intergovernmental agreement between
3 the County and another public agency are not considered voluntary resignation for the
4 purpose of this section.

5 3. Annual Review The VEBA contribution process will remain in place for the term
6 of the party's current agreement with extension of contributions subject to future
7 agreements and can be subject annually to review by mutual agreement of both parties.

8 4. Terminate In the event IBEW Local 48 decides to terminate the VEBA
9 agreement, then three percent (3%) (as of October 18, 2004) will revert back to the
10 base wage calculation.
