

UNOFFICIAL BALLOT BOXES
(ORS 260.695)

Oregon Law allows anyone to collect ballots. However, the law requires that anyone collecting ballots must clearly state **unofficial** on the collection box.

Oregon Law requires that the lettering on the unofficial drop box be **at least 50 point bold font size and in all caps**. The following is the official text and a sample of the minimum size using 50 point bold Arial font.

**NOT AN OFFICIAL
BALLOT DROP
SITE**

Election officials discourage voters from using unofficial drop sites. Voters are encouraged to mail the ballot until the Friday before the election or use an [Official Drop Site](#) in Multnomah County or any [Official Drop Site](#) in Oregon.
