

# **System Integration/Alignment Work Group**

## **Talking Points**

**Friday, September 12, 2008**

**1-2:30 p.m.**

**Multnomah Building, Room 625**

### **Introductions**

### **Recap of Economic Self Sufficiency Conversation**

- Group reflection on the conversation
- Review summary of input
- Determine next steps for high potential ideas, low hanging fruit, and those with a lot of group energy
- What message should go out to participants with meeting notes:
  - Items participants will follow up on
  - Ideas this work group will follow up on
  - Other next steps (some participants wanted the full group to meet again)

### **Discuss What to Present at September 19<sup>th</sup> Coordinating Council Meeting**

- What key pieces of our work to date do we want to share?
- Determine System Integration meeting schedule for the next few months (to coordinate with Coordinating Council meetings)
