

# **System Integration/Alignment Work Group**

## **Talking Points**

**Thursday, July 24, 2008**

**1-2:30 p.m.**

**Multnomah Building, Room 625**

### **Introductions**

#### **Our Process to Date**

- Decision on how to structure the work
- First sequential conversation: Anti-Poverty

#### **Develop Structure/Content for Anti-Poverty Conversation**

- What are the critical pressure points for families dealing with poverty?
- What are the ripe opportunities for positive alignment? (early and easy successes)
- Select 3 priority areas to focus our attention over the next 6 months-year

#### **Who Should be Involved in the discussion?**

- Key expertise/influence needed
- Review and refine draft list of invitees
- Agree on how to invite participants

#### **Set Date for Anti-Poverty Conversation**

- Best time/date for maximum participation
- Appropriate location

#### **Flesh out Parameters for “Every School a Community School”**

- Review costs/options
- Identify different cut-off points for funding at each school
- What service expansion is necessary to make this a viable system?

#### **Workgroup Schedule**

- Set Next meeting(s)
