Program Summary

ISSUE: The Department of County Human Services is made up of three divisions, staffed by 700 FTE and is funded with a budget of over \$162 million dollars. The Department is funded through a blend of local, State and Federal funding with accompanying requirements and roles and programmatic commitments to the community.

GOALS: The Office leads the Department-wide efforts to reach the DCHS North Star which states that in Multnomah County, every person - at every stage in life - has equitable opportunities to thrive. In addition to the existing priorities of ensuring quality of life, education access and support, and economic development and stability, we've added a fourth priority: ensuring a diverse and inclusive system. The Director's office works to advance the Department's strategic initiatives and program service delivery through four main goals: a) maintaining good government practices of accountability and transparency; b) advancing an equity agenda both internally and with our community partners; c) ensuring high-quality program delivery; and d) effective engagement and communication with the community.

ACTIVITIES: The Director's Office ensures a safe, welcoming and equitable environment for staff and participants. The Office's immediate priority is to bring more equity and inclusion to our HR recruitment, compensation and retention strategies, as well as coordinate the efforts of the Department's Trauma Informed Care position, Equity and Inclusion Manager and Diversity, Equity, and Social Justice Committee (DESJC). Director's office activities also include a) ensuring DCHS meets its financial and regulatory requirements through budget development, fiscal compliance, data collections, and reporting; b) Department-wide performance management and sharing of quality improvement tools and techniques; c) identifying new approaches to DCHS work and the application of research for emerging and best practices and solutions; d) communication and coordination with the Board of County Commissioners, and e) communication with partners and participants by using traditional and online tools to engage with the community.
