Program Summary

ISSUE: There are many dynamics to ensure employees work in an environment that supports them and the community while also ensuring equity for a diverse workforce, in compliance with contracts, rules, and legal requirements.

GOALS: HR's goals are to ensure services and strategies support and add value to DCHS strategies; promote fair and equitable treatment of all employees; adhere to County personnel rules, policies and labor contracts; align with Central HR to develop and implement consistent and effective HR solutions and programs; and create workforce and succession planning to develop a diverse and talented pool of employees and candidates to meet future staffing needs.

ACTIVITIES: DCHS HR achieves its goals by providing consultation to managers, supervisors, and employees while working with union representation and aligning with Central/County HR and County counsel when necessary. Efforts in FY 2022 will focus on supporting the workforce in an uncertain environment, equity (including supporting the department's Workforce Equity Strategic Plan), professional development, education, compassion, and compliance, while supporting Department-wide goals. HR will continue to support implementation of the new ERP while maintaining service levels. HR continues to support department process improvement projects related to equity. Those projects include: 1) Bilingual pay assessment and selection. This project is designed to maximize the use of employees' bilingual skills to serve clients. The project takes into account new contract language for ad hoc pay and ensuring language proficiency; 2) Interview panel selection and preparation. This project seeks to ensure diversity in panel selection and training panel members to ensure equitable assessment of interviewees; 3) Workforce Equity - Recruiting and Retention. HR supports this project led by the Director's Office. The project will address identified disparities in the first year of employment, and seek to identify the sources of perceived disparities in access to positions and promotions. Improvements will be made to current processes for selection/hiring and for support during the initial trial service period.
