Executive Summary

Eligibility is the entryway to developmental disabilities services and introduces potential clients to all county services. Intakes average 68 people per month with an approximate total of 815 per year. Per Oregon Administrative Rules, eligibility must be re-determined for children at age 7, at age 18 for individuals with intellectual disabilities and at age 22 for individuals with developmental disabilities. Roughly 280 clients per year are re-evaluated to determine continuing eligibility for developmental disabilities services.

Program Summary

The Intake and Eligibility Program is the single point of access to services for people with intellectual and developmental disabilities. The program strives to provide excellent customer services to all applicants. Regular community outreach is conducted to increase awareness of Multnomah County Developmental Disabilities services and application process. Intake appointments are provided in the office or in the community including the applicant's home. Intakes are conducted in the applicant's primary language through the use of bilingual staff or an interpreter services. Individuals moving from out of state are offered a preliminary eligibility review to reduce relocation challenges. The division has the capability of providing bilingual intakes in Spanish, Vietnamese, Russian, Mandarin, Cantonese and Farsi. Applicants found not eligible are provided referrals to community resources. Eligible clients are paired with a Multnomah County Developmental Disabilities case manager who will assist with accessing a menu of services based on the client's level of care. Additionally the Housing Specialist provides backup clinical support and emergency housing and rent assistance to vulnerable clients.
