Executive Summary

Aging, Disability and Veterans Services Division (ADVSD) Access and Early Intervention Services is the first point of contact for the county's 233,000 older adults, people with disabilities and veterans. Over 53,000 callers receive information and assistance and 10,538 people receive a variety of in-home, community and emergency services that support independence and prevent institutionalization and homelessness. These services are provided through the 24/7 Aging and Disability Resource Connection (ADRC) Helpline, five District Senior Centers and nine Culturally-specific Contractors.

Program Summary

Aging, Disability and Veterans Services Division (ADVSD) is the Area Agency on Aging and Disability for Multnomah County, and as such, is mandated to provide a comprehensive, coordinated service delivery system for older adults, people with disabilities, and veterans emphasizing low-income, limited English-speaking, ethnic minorities and frail persons. The Area Agency's goal is to help people stay active, independent and healthy, preventing or delaying nursing home admission. ADVSD employs evidence-based culturally competent practices to ensure effective outcomes. ADVSD's efforts are guided by the input and advice of Elders in Action, our federally-mandated advisory council for older adult issues, the Disability Services Advisory Council and the Multicultural Action Committee.

Aging and Disability Resource Connection (ADRC) Helpline and District Senior Center employees and volunteers counsel and connect older adults, people with disabilities, veterans, and their families to county and community resources, public benefits, long term care services and emergency services. Last fiscal year, ADVSD, together with contracted partners, provided options counseling, case management and in-home services, including home-delivered meals, to more than 10,538 older adults and people with disabilities and their families. Elders in Action also provides volunteer peer assistance to older adults and people with disabilities who need 1:1 advocacy support. These services are funded through Oregon Project Independence, the Older Americans Act and County General Fund.

Transportation was provided to 1,077 individuals so they could access medical, nutrition and social supports. District Senior Centers provided over 85,617 health, wellness and recreation activities to older adults in the county. The ADVSD network provided 644,768 congregate and home-delivered meals in the last fiscal year. Culturally-specific community organizations provided targeted outreach and nutrition services to 554 ethnic and racial minority elders. Emergency Services help vulnerable older adults, people with disabilities and veterans avoid homelessness and acute health emergencies by providing emergency housing assistance to more than 427 individuals, and emergency prescription and special medical assistance to 242 individuals.
