**Program Summary**

Veterans Service Officers (VSOs) provide effective representation to veterans and their families to ensure that they receive all state and federal benefits available to them. Veterans Service Officers are trained and accredited by the Oregon Department of Veterans Affairs to represent veterans in their claims for benefits. They are versed in applicable state and federal laws to provide the best representation possible, free of charge. The mission of the Veterans Service Officers of Multnomah County is to provide resources and guidance to all who served in the military. The Veterans Service Officers provide benefits information, assistance and advocacy to all who served and their families. The Veterans Service Officers provide comprehensive benefits counseling on Veterans Administration (VA), assistance with VA healthcare enrollment, claims preparation and submission, initiate and develop appeals, networking with federal, state and local agencies, and justice involved outreach.

Aging, Disability and Veterans Services Division (ADVSD) has committed to veterans in our communities by signing a historic "Community Covenant with Veterans and Military Families." The Community Covenant is Multnomah County's pledge to develop local partnerships that will improve the quality of life for service members, veterans, and their families. The ADVSD Veterans Service Office is also a supporting partner in A Home for Everyone efforts to end homelessness for veterans experiencing chronic homelessness. Part of this commitment is helping to increase awareness about Veterans Service Officers and the services that they provide in assisting veterans to navigate the claims process as quickly and smoothly as possible. Multnomah County ADVSD Veterans Service Office is committed to this covenant and has a goal to expand our outreach to serve additional veterans and military families.

Veterans Service Officers promote equity to veterans and military families identified within underrepresented communities who face barriers to access federal, state and local benefits. The VSOs implement an intentional and targeted outreach strategy with multiple access options for LGBTQ veterans, women veterans, veterans within communities of color, homeless veterans, justice involved veterans; as well as veterans and military families experiencing socio-economic disparities due to unintended gaps accessing resources.
