Executive Summary

Aging, Disability & Veterans Services Division (ADVSD) Administrative Services provides division-wide leadership, budget development, performance management, program evaluation, data analysis, HIPAA compliance, and workforce equity strategies to ensure fiscal responsibility, compliance, and participant-focused outcomes. Racial equity is a key focus throughout ADVSD.

Program Summary

ISSUE: To support quality performance and positive outcomes for program participants, ADVSD has a strategic direction and infrastructure that guides quality improvement, accountability, and program performance.

PROGRAM GOAL: Administrative Services promotes efficient, effective use of resources by maximizing budget resources, utilizing customer feedback, supporting data-informed decisions, and deploying continuous quality improvement projects. Administrative Services oversees the development of the division-wide equity plan, supports DCHS goals of protecting program participants through HIPAA compliance, and participates with department performance management plans.

PROGRAM ACTIVITY: ADVSD is the Area Agency on Aging for the County and is responsible for developing and ensuring access for 220,000 older adults, people with disabilities, and Veterans to a comprehensive, coordinated service system. Administrative Services serves a workforce of 420 FTEs through organizational and management functions. The core activities include leadership, advocacy, budget development, budget monitoring, data analysis, reporting, performance management, customer satisfaction initiatives, and program evaluation. Administrative Services is also responsible for protecting vulnerable adults' privacy through HIPAA compliance involving training and communication to staff, managing an auditing process for compliance, and investigating and mitigating breaches. Partnerships in this division-wide unit include the County Privacy Oversight Committee, DCHS Equity in Action team, and DCHS Performance Management Council. Administrative Services, in collaboration with ADVSD Leadership, oversees the development and implementation of activities to diversify the workforce and advance workforce equity in recruitment, retention, support, promotion, and development. ADVSD has completed a racial equity assessment, identifying gaps that are contributing to systemic and institutional barriers for some employees and program participants. This will be the foundation for an equity action plan with priorities, outcome measures, and accountability timelines and reporting.
