Executive Summary

Aging, Disability & Veterans Services Division (ADVSD) provides older adults, people with disabilities, and Veterans with equitable and efficient access to quality services and programs that meet their diverse needs and expectations. The Safety Net Program provides emergency funds which help prevent eviction, and housing stability services to secure clean and safe housing. The program also provides bed bug mitigation, medical equipment, dental subsidies, and prescription support to those with no other financial means to prevent health decline, increase independence, and improve quality of life.

Program Summary

ISSUE: Older adults, people with disabilities, and Veterans may be unable to attain or retain housing, medical equipment, dentures, and prescription medication due to limited financial resources, lack of insurance coverage, limited mobility, and other health and public health factors.

PROGRAM GOAL: The first goal of the Safety Net Program is to support and maintain safe and stable housing for older adults, people with disabilities, and Veterans who are experiencing homelessness or are at risk of losing their housing, through emergency housing assistance and services. The second goal is to increase independence and prevent health decline by ensuring individuals get their prescribed treatments through emergency medical and prescription assistance. The third goal is to reduce nutrition barriers, experienced by older adults and people with disabilities, by providing denture assistance. Collectively, these three goals provide services and supports to address significant gaps experienced by older adults with low incomes and people with disabilities.

PROGRAM ACTIVITY: The Safety Net Program is part of the access and early intervention continuum of ADVSD services and receives requests from numerous sources within Multnomah County and from community partners. The Aging & Disability Resource Connection Helpline contact center is the primary access point for these services. The Safety Net Program provides direct housing assistance by facilitating housing support services such as extreme cleaning and bedbug mitigation. The Safety Net program provides financial assistance for special medical needs, such as dentures, eyeglasses, and other durable medical equipment not covered by Medicaid, Medicare, or other programs, to ensure individuals are able to get their prescribed treatments and prevent health decline. Short-term emergency prescription assistance is provided to cover the cost of medications and help to develop a long-term prescription coverage plan.
