Program Description

ISSUE: Costs of housing and medical care are rising. This can make it difficult for older adults, people with disabilities, and Veterans to keep their housing. Unhealthy living conditions can put people at risk of eviction. People who have recently found stable housing often need support to avoid returning to homelessness.

PROGRAM GOAL: The goal of this program offer is to help people age with safety and dignity in their homes. It helps participants avoid becoming homeless or returning to homelessness. It also improves the health and safety of participants' living conditions.

PROGRAM ACTIVITY: This offer includes two separate programs. The Safety Net program offers a variety of services that support housing stability. These include rent assistance, utility assistance, emergency motel vouchers, deposits, moving services, extreme cleaning, and bed bug removal. It also helps participants pay for items like eyeglasses, dentures, and medical equipment. The Safety Net program has helped many Black and African American people and wants to expand its reach. The program plans to partner with organizations that serve Latino, Native American, Alaskan Native, and Indigenous communities.

The Older Adult In-Home Care program (OAIHC) supports people who have recently found housing after a long period of homelessness. Participants receive personalized support to remain stably housed. This can include housekeeping, grocery delivery, transportation, health insurance enrollment, checking and understanding mail, advocacy, and help at medical appointments.

PROGRAM OUTPUTS:

- Fund services for people at risk of homelessness. Services include case management, rent and utility assistance, funds for medical needs, and other housing-related services.
- Fund services for people who need support to remain stably housed after exiting homelessness. Services include housekeeping, eviction prevention, client outreach, transportation support, and life stabilization.
- Fund bedbug cleaning and mitigation services for renters at risk of eviction.
