Program Summary

Domestic Violence Community-Based Services provide an array of non-residential domestic violence victim support and services throughout Multnomah County. Services include culturally specific services, child and youth focused services, legal advocacy and legal representation.

Culturally specific services are designed to meet the unique and varied needs of domestic violence victims/survivors from under served and racial/ethnic minority communities. Programs serve Latino and Spanish-speaking individuals; Russian-speaking individuals; Native Americans; African Americans; immigrants and refugees; and lesbian/gay/bisexual/transgender individuals. Culturally specific programs served 789 unduplicated individuals in FY2014.

Child and youth focused services provide domestic violence support, advocacy and counseling for children and parents. Programs include Safe Start, a multi-agency collaboration providing domestic violence services to families involved with Child Welfare in Gresham/East Multnomah County, funded with County General Funds. Other services funded by US Department of Justice's Defending Childhood Initiative grants include a domestic violence consultant to support early childhood programs and the families they serve, and a mental health-domestic violence collaboration providing technical assistance as well as direct services to families.

Legal advocacy and representation provides support, consultation and representation for victims with domestic violence related legal matters.
