**Executive Summary**

Domestic Violence Crisis Services improve the quality of life for victims who are currently fleeing or attempting to flee domestic violence. Individuals attempting to flee domestic violence need access to the type and level of service they desire when the time is right for them. Domestic and Sexual Violence Administration and Coordination provides administration, planning, coordination, evaluation, technical assistance, and policy support for domestic and sexual violence intervention in Multnomah County.

**Program Summary**

**ISSUE:** Domestic violence is a complex issue that requires a coordinated countywide response. Domestic violence is also a leading cause of violent victimization, accounting for more than 40% of all reported violent crime and 25% of all homicides in Multnomah County. Multnomah County spends an estimated \$10 million addressing domestic violence-related criminal costs and \$2.5 million in victim services annually.

**PROGRAM GOAL:** The goal of the program is to eliminate domestic and sexual violence by providing system-wide coordination and leadership for the community, as well as professional staffing and administration for the County's Domestic and Sexual Violence Coordination Office.

**PROGRAM ACTIVITY:** Program activities include system-wide leadership and policy work; administration of County, State, and Federal funds; coordinating collaborative responses to domestic violence; developing and coordinating effective intervention and prevention strategies; evaluating and assessing system responses in order to improve them; and providing technical assistance and policy advice to partners throughout Multnomah County. This offer also includes administration of the Federal Open Doors grant, which provides technical assistance to both disability and domestic violence agencies to improve services for survivors with disabilities.

Initiatives and projects include the Family Violence Coordinating Council, a multidisciplinary stakeholders group; the Domestic Violence Fatality Review Team that analyzes cases that lead to domestic violence fatalities and identify system improvements; monthly community-based training for providers; and providing subject matter expertise in training, consultation and capacity-building within County programs and departments. The office oversees victim services contracts and economic empowerment and employment program contracts including technical assistance, monitoring, and performance measurement to assess the impact and quality of contracted services. This offer also includes support for operations of the Gateway Center, a coordinated one-stop center providing a wide range of services for survivors of domestic violence.
