Executive Summary

Domestic Violence Crisis Services improve the quality of life for victims who are currently fleeing or attempting to flee domestic violence. Individuals attempting to flee domestic violence need access to the type and level of service they desire when the time is right for them. This offer funds legal advocacy and civil legal services for survivors of domestic violence through contracted services at local non-profit agencies. It also supports advocacy in the restraining order services room at the Multnomah County courthouse.

Program Summary

ISSUE: The cost of legal representation can be prohibitive for survivors who have low or no income and have been financially exploited by their abusers. There are very few resources for legal assistance available for low-income survivors. As a result, survivors of domestic violence often are forced to appear in court without representation or legal advocacy. Domestic violence survivors and provider agencies report that civil legal services are one of the highest unmet needs for domestic violence survivors.

PROGRAM GOAL: The goal of the program is reduce domestic violence by providing civil legal advocacy and civil legal services to help survivors to safely end abusive relationships and resolve issues that cannot be addressed by human service or criminal justice interventions.

PROGRAM ACTIVITY: Program activities focus on the provision of legal assistance. Civil legal assistance is related to the reduction in reported domestic violence crimes and improves the likelihood that survivors will be able to obtain protective orders from courts, which is a significant factor in reducing rates of violence. These specialized legal services for domestic and sexual violence survivors ensure better outcomes in legal proceedings and include assistance with restraining order hearings, custody and parenting time determinations, housing retention, immigration matters, and related victims' rights and other civil legal matters.

This offer funds legal advocacy and civil legal services for survivors through local non-profit agencies including Legal Aid Services of Oregon. This funding also supports advocacy in the restraining order services room at Multnomah County courthouse.
