Executive Summary

Domestic Violence Crisis Services improve the quality of life for victims who are currently fleeing or attempting to flee domestic violence. Individuals attempting to flee domestic violence need access to the type and level of service they desire when the time is right for them. This offer provides funding for the Court Care program, providing child care for children while their parents participate in domestic violence-related court activities.

Program Summary

ISSUE: The cost of legal representation can be prohibitive for survivors who have low or no income and have been financially exploited by their abusers. There are very few resources for legal assistance available for low-income survivors. There are also few child care options for parents whose children cannot attend court hearings due to age or sensitivity.

PROGRAM GOAL: The goal of the program is reduce domestic violence, childhood exposure to violence and financial burden for survivors of domestic violence by providing child care during court activities.

PROGRAM ACTIVITY: This program provides no cost, trauma informed child care for children while their parents are at the courthouse for domestic violence related activities, such as attending restraining order hearings, custody and parenting determinations and other civil matters. Reducing barriers to seeking civil legal assistance is related to the reduction in reported domestic violence crimes and improves the likelihood that survivors will be able to obtain protective orders from courts, which is a significant factor in reducing rates of violence.
