Program Summary

ISSUE: Survivors of domestic and sexual violence who are immigrants often qualify for immigration legal relief based on their status as survivors of crime or domestic violence. However, gaining access to these protections can be complex and many survivors struggle with the process. Access to immigration lawyers helps ensure survivors are able to leave abusive relationships without fear of deportation being used in retaliation for leaving the abuse.

PROGRAM GOAL: Provide Immigration legal Advice and representation to survivors of domestic and sexual violence seeking services at the Gateway Center for Domestic Violence Services.

PROGRAM ACTIVITIES: Engage legal services partner to provide legal consultation and intake services one day a week at the Gateway Center for Domestic Violence Services. An attorney with expertise in immigration law will work at the Gateway Center once a week. Front line advocates (“navigators”) will recommend legal consultations for survivors who are concerned about their immigration status. Legal services partner will consider each survivor for ongoing representation. When a survivor qualifies for immigration legal relief based on their status as a domestic violence survivor, a crime victim, or a victim of human trafficking, legal services partner will advocate for relief for these survivors.
