**Executive Summary**

This program offer requests \$610,000 of pass-through to continue coordinated entry and mobile housing placement for homeless families. Funding provides flex funds and rent assistance for an estimated 400 families in FY2014.

Adding this service component into the existing system of care brings the entire system into alignment with national best practice, federal HEARTH requirements, and local learning about what works with homeless families.

**Program Summary**

National research continues to emphasize the effectiveness of rapid re-housing for homeless families. Locally, the system of care for homeless families has created an unintended expectation that to access housing placement and rent assistance, households must first go to the Warming Center, be placed on the wait list for shelter, and then once at the shelter access housing placement.

Because of the significant size of the wait list for shelter prior to winter, the Board funded a pilot that offered universal screening through 211info and immediate access to mobile housing placement in order to by-pass this assumed required pathway to housing. If in a reasonably safe temporary situation, households do not come into the Warming Center or shelter but instead begin immediate work to secure housing.
