**Executive Summary**

Multnomah County is experiencing a housing crisis. The high cost of rent and lack of affordable housing can make it difficult for low-income families to remain housed. Racist policies and practices create additional challenges. This is a local long term rent assistance program for Latinx families at risk of homelessness. The focus on supporting Latinx families is an example of leading with racial justice as Latinx, as well as Black, Indigenous, Native, and other Communities of Color, continue to bear the burden of racism in housing policies. YFS contracts with two local non-profits who work with Latinx families and offer culturally-specific services. YFS staff also support program development by hosting meetings with providers, consulting and providing program guidance and help with contracts.

**Program Summary**

**ISSUE:** Stable housing is linked to many positive outcomes. By addressing the need for long-term housing support, this program can help break the cycle of houselessness and increase stability for families and the community.

**PROGRAM GOAL:** The goal is to provide long term rent assistance that improves stability for Latinx families at risk of homelessness so that they may transition off of a rent subsidy and/or helps families transition to a permanent federal subsidy.

**PROGRAM ACTIVITY:** This program leads with race by prioritizing Latinx families who are already enrolled in the Multnomah Stability Initiative (MSI), an antipoverty program. The selected families are at risk of homelessness and receive a total of 5 years of rent assistance. YFS contracts with two local non-profits who work with Latinx families and are established in the Latinx community. These non profits were also selected because they have a strong track record of providing culturally specific and appropriate case management services.
