**Executive Summary**

Everyone deserves safe and stable housing. Housing Stabilization for Vulnerable Populations provides rent assistance and housing placement to vulnerable households including for people whose housing is vulnerable and are at high risk for homelessness. This offer provides a package of services to help people avoid becoming homeless by providing housing stabilization services, eviction prevention, and ongoing assistance for people with low incomes, including families with children, older adults, and people with disabilities.

**Program Summary**

**ISSUE:** People often need supports to maintain stable housing, particularly those who have low or fixed incomes. In 2015, the overall rent growth in Portland was an average of 8-9% - one of the highest in the nation. In 2017, after years of significant rent increases, it has decreased to 2%. In addition, communities of color comprise the majority of renter households and are over-represented within the homeless population.

**PROGRAM GOAL:** Housing Stabilization programs strive to prevent homelessness by keeping people stably housed or helping those who are evicted from stable housing to locate and secure new housing; housing stabilization programs help people avoid homelessness.

**PROGRAM ACTIVITY:** This program offer represents two program areas.

1. Short-Term Rent Assistance program (STRA) is a joint effort between Multnomah County, the City of Portland, and Home Forward. Each organization contributes funds to a coordinated pool of STRA dollars. STRA funds are allocated to local social service agencies and are geared towards households that are currently experiencing homelessness or are at risk of homelessness. Funds can be used for rent assistance, mortgage payment, and emergency hotel vouchers. Assistance is available for up to 24 months. These services help vulnerable county residents find homes, maintain housing, avoid homelessness, and work on creating a path to economic stability.

2. Housing Stability Team provides supports to stabilize housing for people engaged in County programs. Services include eviction prevention, housing stabilization, Assertive Engagement case management, landlord retention services, utility payments, short-term rent assistance, and move-in flexible funds. For FY2021 this program will be scaled back and focus on households who are at 80% of Area Median Income, due to new funding requirements.
