Executive Summary

Housing Stabilization for Vulnerable Populations provides rent assistance and housing placement to more than 1,393 homeless households with children annually. Of those placed in housing, 95% will remain in permanent housing six months after exit from service.

Program Summary

These services help our most vulnerable homeless and marginally housed families with children maintain their housing and avoid homelessness; once homeless, find homes; and receive long-term support, working on a path to self-sufficiency.

The Short-Term Rent Assistance (STRA) System, Flex Funds for Veterans, the Rose City Resource Guide, and Facilities-Based Housing are included in this program offer.

In FY14:

STRA served 1,186 households with rent assistance, mortgage payment, and emergency shelter vouchers annually. Approximately 95% of those placed in permanent housing remain housed six months after exit from services.

130 veterans were served with flexible funding.

80,000 copies of the Rose City Resource Guide were produced and distributed to individuals living on the street.

77 households lived in facilities-based housing.
