**Executive Summary**

Everyone deserves safe and stable housing. Housing Stabilization for Vulnerable Populations provides rent assistance and housing placement to vulnerable households including for people whose housing is vulnerable and are at high risk for homelessness. This offer restores funding for the Housing Stabilization Team - services that help people avoid becoming homeless by providing housing stabilization services, eviction prevention, and ongoing assistance for people engaged in County programs.

**Program Summary**

**ISSUE:** People often need supports to maintain stable housing, particularly those who have low or fixed incomes. In 2015, the overall rent growth in Portland was an average of 8-9% - one of the highest in the nation. In 2017, after years of significant rent increases, it has decreased to 2%. In addition, communities of color comprise the majority of renter households and are over-represented within the homeless population. The COVID-19 pandemic has amplified housing instability in our community.

**PROGRAM GOAL:** Housing Stabilization program strives to prevent homelessness by keeping currently engaged County program participants stably housed or helping those who are evicted from stable housing to locate and secure new housing; this program helps people avoid homelessness.

**PROGRAM ACTIVITY:** Housing Stability Team provides supports to stabilize housing for people engaged in County programs. Services include eviction prevention, housing stabilization, Assertive Engagement case management, landlord retention services, utility payments, short-term rent assistance, and move-in flexible funds. This restored County General Funding will augment some state Emergency Housing Assistance funds that will also be used for this project for FY2021.
