Executive Summary

This program offer request \$238,009 in pass-through to support three facilities-based transition-in-place/permanent supportive housing programs. Funds provide match for two HUD McKinney grants and rent assistance at a third affordable housing community site, leveraging approximately \$339,984 in federal funds. Approximately 83 households are served annually, 96% of whom remain in permanent housing six months after exit.

Program Summary

When funding for these services was first provided over 15 years ago, best practice identified transitional housing as an effective intervention for homeless families with children. As research has continued to explore what really works and new models have been developed, there has been a trend nationally to move away from traditional transitional housing programs. Current research and experience, both nationally and locally, point to a Housing First/Rapid Re-Housing approach as significantly more effective for a greater range of family situations.

As a result, these three housing sites, developed and operated collaboratively with our jurisdictional partners - Home Forward and Portland Housing Bureau - are refocusing their service delivery model to transition-in-place (placement where the initial intent is time-limited, but transitions into permanency) and permanent supportive housing.

Future services are expected to reflect research and best practice while preserving these important housing resources in the community.
