**Executive Summary**

This program offer requests \$471,000 of pass-through to continue funding for mental health and addictions treatment engagement and support services for approximately 600 youth accessing services within the Homeless Youth Continuum. Treatment engagement, support, and recovery services also include peer mentorship, pro-social activities, and flex funds.

**Program Summary**

In FY13 the Children's Levy ceased to fund the Metamorphosis Program, a model program providing mental health and addictions treatment engagement and support services to homeless youth. Because of the critical need for these services, the Board of County Commissioners granted one-time-only funding for current service levels and directed the Homeless Youth Oversight Committee (HYOC) to conduct a review process to determine the optimum service package for the population.

In October 2012, the resulting service model recommendation and report was presented to the Board.

Services provided include mental health and addictions support specialists, peer recovery advocates, pro-social recreation groups and activities, and wraparound client assistance all aligned to maximize engagement with and participation in treatment funded through the County's Mental Health and Addictions Services Division (MHASD), resulting in sobriety and on-going recovery.

In FY13, approximately 448 homeless youth participated in services.
