**Executive Summary**

When youth feel safe, have a sense of belonging, and their culture and choices are honored, they have positive academic and life outcomes. Promise Neighborhoods Initiative (PNI) agencies provide culturally specific, community-based services and supports for children of color age 12-17 and their families.

**Program Summary**

**ISSUE:** Educational barriers for children and youth of color in Multnomah County are pervasive and persistent. Youth of color in our community experience disparate outcomes due to racism, systemic oppression, inter-generational trauma, and poverty. Investing in proven culturally responsive and culturally specific practices, in partnership with school districts and school personnel, works to eliminate these barriers.

**PROGRAM GOAL:** PNI brings together community experts to help school districts and community agencies build more culturally specific services for communities of color. PNI improves culturally responsive, specific, and relevant service strategies in our school districts so that children of color succeed academically. The Initiative is led by the United Way of the Columbia-Willamette, which serves as the Backbone Agency. Youth & Family Services funds both of these areas, and provides broad oversight with the initiative.

**PROGRAM ACTIVITY:** This initiative has two primary areas: 1) Backbone Agency services by the United Way; and 2) Culturally responsive, specific and relevant services using a collective impact model to increase school readiness and academic achievement for a successful adult transition. This is a coordinated approach which includes culturally specific and responsive organizations, school districts, County investments, and a strong Backbone Agency that provides project leadership, accountability, partnership development, and data and evaluation.

Additionally, there are one-on-one activities which include youth engagement, leadership development, homework support, college and career readiness. Group activities focus on cultural identity, financial literacy, after-school engagement, sports, recreation, and theater arts. Parent engagement ensures understanding the English Language Learner classes, financial literacy, and the public school environment so they can support their children. Individual youth supports and family engagement increases a sense of belonging and identity for youth, leading to stronger academic outcomes. The services of PNI are primarily provided in two school districts: Reynolds and David Douglas.
