Executive Summary

Families can become economically stable and meet their goals by accessing housing and economic opportunity. Legal barriers often serve as roadblocks to stability by preventing access to housing, employment, education, volunteerism and other opportunities. The Community Legal Clinic removes legal barriers to stability and opportunity through direct representation of County program participants. These services are contracted to non-profits. YFS staff support program development through convening providers, providing technical assistance and contract monitoring.

Program Summary

ISSUE: Families experiencing poverty, especially families of color and people who experience discrimination and disproportionate contact with the criminal justice system, have legal barriers that prevent them from accessing housing, employment, education and other opportunities.

PROGRAM GOAL: The Community Legal Clinic works with participants to remove legal barriers to stability and opportunity through direct legal representation for County program participants.

PROGRAM ACTIVITY: Contracted legal services staff represent participants of Multnomah Stability Initiative (MSI), the Family Reunification Program (FUP) and other County programs in expungement, eviction prevention, housing voucher hearings, reduction of fees and fines, drivers' license restoration, felony reduction, appeal of exclusions, gang designations and other legal barrier removal cases.

Attorneys work collaboratively with culturally specific case managers and County program staff to establish trust and receive referrals to no cost barrier screening. Screening can result in legal advice or representation as well as referral to expungement clinics or legal services days.
