Executive Summary

Community Development administers public resources to expand affordable housing and infrastructure in low and moderate income communities through the federal Community Development Block Grant (CDBG), the Affordable Housing Development Program (AHDP), and the home improvement loan program.

Program Summary

The program is a collaboration among DCHS, the cities of Gresham, Wood Village, Fairview, Troutdale, Maywood Park, Portland, and the community, and will potentially complete one public works project in the coming year, and attempt to deed one property for affordable housing development.

Using a regional collaborative approach, an advisory board comprised of citizens living in East County cities outside of Portland and Gresham administers Community Development Block Grant funds targeted to neighborhood revitalization, public services, and housing rehabilitation in East County.

The Affordable Housing Development Program (AHDP) deeds foreclosed properties to non-profit community development corporations for affordable housing development, and manages an ongoing portfolio of approximately 450 units for program compliance and real estate transactions.

A no-cost home improvement loan program for fixed and low-income homeowners is maintained on behalf of the Portland Development Commission.

Federal and state funds for these programs improve the livability of existing low and moderate income housing and neighborhoods. However, significant reductions in federal funding have deeply impacted the program's ability to deliver affordable housing units in the foreseeable future.

Background prepared for the Home for Everyone Shared Governance Initiative identifies the need for both temporary housing and greater resources for long-term solutions.
