Executive Summary

Communities with safe, quality and affordable homes increase opportunities for residents to achieve economic stability. Community Development administers public resources to expand affordable housing and infrastructure in low and moderate income communities through the Federal Community Development Block Grant program.

Program Summary

ISSUE: Affordable housing and infrastructure in low and moderate income communities are insufficiently funded due to federal funding formulas. East Multnomah County, in particular, has limited resources to ensure access to affordable housing and sufficient infrastructure for public works projects.

PROGRAM GOAL: The goal of the Community Development program is to create opportunities for neighborhood revitalization, public services, and housing rehabilitation in East Multnomah County.

PROGRAM ACTIVITY: The Community Development Block Grant (CDBG) program includes the administration of the Community Development Block Grant. An advisory board, comprised of representatives of East Multnomah County cities and unincorporated areas outside of Portland and Gresham, makes policy and funding recommendations for Community Development Block Grant projects. The program is a collaboration between DCHS, the cities of Wood Village, Fairview, Troutdale, Maywood Park, and the community. The program also collaborates with Portland and Gresham on CDBG planning activities. The CDBG program also provides funding for public services and housing rehabilitation services for low- and moderate-income (LMI) households. Housing rehabilitation is offered to both LMI renters and homeowners to adapt housing for improved disabled access. Critical home repair services are also offered to LMI homeowners through CDBG funds.
