

Program #25152 - YFS - Early Kindergarten Transition Program 2/20/2019

Department: County Human Services **Program Contact:** Peggy Samolinski
Program Offer Type: Existing Operating Program **Program Offer Stage:** As Requested
Related Programs:
Program Characteristics: In Target

Executive Summary

The Early Kindergarten Transition (EKT) program prepares entering kindergarteners and their parents so that they successfully transition into school and attend regularly, improving their educational success by ensuring a strong start. EKT recognizes that parents are a child's first teachers and services are reflective of and responsive to cultural values and norms. EKT is a three-week summer program to engage entering kindergarteners, who have had little to no preschool experience, and their parents/caregivers.

Program Summary

ISSUE: In Multnomah County, 54% of kindergartners enter elementary school unprepared to be successful as defined by familiarity with classroom and school routines and behaviors, socio-emotional skills, and family engagement in school.

PROGRAM GOAL:

The program goals are to increase parental involvement in their children's learning, attendance in kindergarten, and success in school. EKT increases familiarity with school routines and staff develops socio-emotional skills in children and promotes family-school relationships. Research shows a strong correlation between successful kindergarten transition and overall success in elementary school for the child, their parent/caregiver, the kindergarten teacher, and other students in the class. Children who had no early childhood education experience were one and a half times more likely to be chronically absent during kindergarten compared to those enrolled in EKT.

PROGRAM ACTIVITY:

EKT is a school-based summer program with two core components: 1) Kindergarten class time for children led by a kindergarten teacher and 2) Family engagement activities that include a facilitated parent/caregiver group and other activities intended to promote positive family-school relationships, including following up with participating families after the start of the school year. The program specifically focuses on recruiting children of color and English Language Learners who have not had prior preschool experience so that they will be more successful in school.

EKT is a partnership with Early Learning Multnomah across six school districts, SUN Community School Lead Agencies, Portland State University (PSU), the SUN Service System and Multnomah County Library to support the successful transition into kindergarten. Research by PSU has fostered a continuous improvement approach to study the program elements during implementation and make adjustments to the program model in the subsequent year to be more effective.

Performance Measures

Measure Type	Primary Measure	FY18 Actual	FY19 Purchased	FY19 Estimate	FY20 Offer
Output	Number of children who participate in summer Early Kindergarten Transition.	736 ¹	810	743	810
Outcome	Percent of parents who report comfort with activities they can engage in at home to support their child in school.	99%	90%	90%	90%

Performance Measures Descriptions

¹ FY19 estimate and FY20 offer target numbers reflect the consistent participation of 18 children per classroom, with 45 in FY19.
