**Program Characteristics:**

**Program Description**

High unemployment and rising costs are driving more and more households in Multnomah County to go without food and be at risk of homelessness. Many individuals, families, and children continue to experience poverty, food shortages, unstable housing, and homelessness. Bienestar de la Familia is based in the Cully neighborhood and serves people throughout Multnomah County. Bienestar offers services that are responsive to language, culture, and individual circumstances. The program provides case management, rent and utility assistance, rehousing support, employment services, food distribution, mental health and substance use counseling, youth activities, parent education, support groups, referrals, and crisis navigation. Staff reach people through visits, calls, walk-in hours, and community outreach. The Community Advisory Council offers guidance to keep services aligned with community needs. Program activities include:

- Crisis support, referrals, and service navigation.
- Long-term case management and rehousing placements.
- Mental health and substance use counseling.
- Fresh food distributions through Mercado Harvest Share and related programs.

Bienestar supports the Youth & Family Services (YFS) Division Outcomes of Housing and Economic Stability and Health and Wellness by strengthening stability, safety, and wellbeing through culturally responsive services. It includes reducing poverty, supporting housing retention, preventing homelessness, and improving mental health through approaches grounded in trust and care.

**Equity Statement**

Bienestar de la Familia provides fair and respectful access to services for all households. The program reduces barriers related to language, past trauma, and limited resources. Staff provide support that honors each person’s situation and strengthens trust. The goal is a space where everyone feels welcome and able to seek help safely.
