**Executive Summary**

Bienestar de la Familia provides a range of culturally specific social services in many different languages. They target their help to those who are harmed by racism and poverty--Latinx, immigrants and refugees, Somalis and other families of color in the Cully neighborhood. They have worked without interruption during the pandemic. Their willingness to maintain, expand and provide new services during this pandemic has been essential to supporting our community. Additional program infrastructure is needed to maintain balance and staff capacity.

**Program Summary**

**ISSUE:** Bienestar de la Familia is located in the Cully neighborhood. Many families within the immediate area live in poverty, face housing instability and food insecurity. In addition, because of the cultural and racial diversity in this neighborhood, there is a need for services that are culturally appropriate and to have resources in multiple languages. This need has only increased and deepened during the COVID-19 pandemic, and their work has grown exponentially. This demand will not decrease as the impacts of the pandemic in BIPOC communities will be long lasting. The range of services and initiatives at Bienestar has stretched the supervisory, administrative and case management capacity of the program.

**PROGRAM GOAL:** The goal of Bienestar de la Familia is to ensure access to culturally specific social services and prioritize Latinx, Somali and communities of color. Bienestar promotes the well being of families and its services help reduce poverty, promote self-efficacy, prosperity and success. To do this, Bienestar offers housing stability services for families and individuals who are homeless or at risk of homelessness. They also provide substance abuse and mental health services, food supports and other safety net programs that are culturally appropriate and responsive.

**PROGRAM ACTIVITY:** Bienestar provides a range of services that are culturally and linguistically specific and appropriate. Some of the key services include: case management, housing stabilization and rental assistance, mental health assessment and counseling, alcohol and drug counseling and prevention, service linkage and coordination, nutrition resources, energy assistance, information and referral, employment assistance, school support, and advocacy to help address families' needs ranging from basic to crisis. Other activities include parent education and support groups; a weekly Women's and Men's support group; and energy and weatherization workshops. The "Mercado" Harvest Share, in partnership with the Oregon Food Bank, Franz Bakery, and the Northeast Emergency Food Program, make fresh food available to households living on a fixed or low income and SNAP outreach staff enable families to immediately sign up for SNAP benefits. Bienestar also has a Community Advisory Council that provides guidance and ensures that Bienestar is responsive to the needs of the diverse community.
