Executive Summary

This program offer supports the continued development of the Early Learning Multnomah (ELM) Hub. In partnership with the United Way, Multnomah County is implementing all elements of the ELM Hub for this community. Grant funds from the United Way will continue to support 2.0 FTE staffing for these activities. By the start of the fiscal year ELM will have adopted 3-5 key performance metrics that will drive our local work. These will be in full alignment with the state's articulated goals and expectations.

Program Summary

The Early Learning Multnomah Hub represents a commitment across partners, including parents, providers and investors, to align strategies and outcomes towards a single vision of kindergarten readiness for the county's most at-risk children ages 0 through 6. United Way of the Columbia Willamette and Multnomah County are co-conveners for this local initiative.

Early Learning Multnomah (ELM), is designed to coordinate and align services for the 63,268 children ages 0 through 6 living within Multnomah County. ELM has further identified two intersecting groups as the most at risk population of children 0-6: children living at or below 185% of poverty and all children of color (including English Language Learners). Local and national research clearly indicates the population of children of color is inclusive of a large number of children living at or near poverty levels. ELM's vision for change, supported by a governance model that emphasizes shared accountability by parents, community (providers and partners) and key investors, signals a significant step forward for early learning services for the county's most at-risk children.

The United Way and Multnomah County are co-conveners for this initiative. Multnomah County, through the SUN Service System Division, plays important staffing roles to develop a coordinated and aligned early childhood system. SUN Division staff partner with the ELM Director to fully develop and implement all phases of the hub, including staffing the governance process, providing direction and vision, drafting operating procedures and documents, and overall partnership development. As part of the partnership with the United Way, SUN Division staff contract for and develop early learning programs, monitor contracts, compile data and reports, engage in cross-sector partnerships, and support active parent/caregiver involvement in ELM. The United Way will continue to provide funding to Multnomah County for these functions.
