Executive Summary

The Department of County Human Services established the Preschool & Early Learning Division in January 2021 in order to implement Preschool for All (PFA). The staff in the Preschool & Early Learning Division are creating the foundation for PFA’s success. This work includes developing systems, processes, and partnerships to select and support preschool providers, recruit families, and create positive preschool experiences for children.

Program Description

ISSUE: The Preschool for All ballot measure named the Department of County Human Services as the program administrator. The Preschool & Early Learning Division is responsible for implementation of Preschool for All.

PROGRAM GOAL: The structure of the Preschool & Early Learning (PEL) Division was informed by the experiences of other preschool systems across the country and the internal expertise of County staff. The PEL Division will hire and retain a diverse staff committed to early learning and racial justice. This will help to build trust in the community and to successfully implement the equity goals of Preschool for All.

PROGRAM ACTIVITY: The PEL Division will center the voices of Black, Indigenous, and all families and providers of color to implement the community-built Preschool for All vision. The PEL Division staff includes: a Division Director (1.00 FTE), an Operations Team focused on the application system for families, budgets, and contracts (9.00 FTE), a Policy & Partnerships Team focused on policy areas that will build the capacity and quality of PFA (13.00 FTE), and staff focused on administrative, evaluative and communications functions of Preschool for All (9.00 FTE).

The Preschool and Early Learning Division will staff the advisory committee included in the Preschool for All ballot measure. The Preschool for All Advisory Committee is a diverse group of community members from the different geographic areas of the County. The committee will review program expenditures, advise program evaluation, review data, and make policy recommendations.
