Executive Summary

In order to create a new system that centers racial justice and equity, the community plan for Preschool for All includes two key system roles for community-based organizations: Family Connectors and Intermediaries. Intermediary Organizations will work with in-home providers to ensure their meaningful participation in Preschool for All. Family Connector organizations will outreach to families and guide them through the PFA application and enrollment process.

Program Summary

ISSUE: Two of the key racial justice and equity strategies for Preschool for All are the meaningful inclusion of in-home preschool providers and prioritizing children who experience barriers to high-quality preschool. Many in-home preschool providers have experienced barriers to building their businesses and have never held a contract for publicly funded preschool, while children farthest from opportunity may be the hardest to reach and enroll in a new program.

PROGRAM GOAL: Family Connector and Intermediary Organizations will work directly with parents and preschool providers to increase the accessibility, inclusivity, and equity of Preschool for All.

PROGRAM ACTIVITY: The Preschool & Early Learning (PEL) Division will hold contracts with larger preschool centers and with school districts. PEL will fund Intermediary Organizations who will partner and hold contracts with in-home preschool providers. In-home providers represent the most linguistically and culturally diverse group of preschool providers in the community. Many in-home providers offer culturally relevant or culturally specific care, giving children rich learning environments and building strong relationships with families. Intermediary organizations will work closely with the PFA administration to ensure that in-home providers' needs are met and that the system works smoothly to support their participation.

Family Connectors will be based at culturally specific organizations and will guide families through the Preschool for All application process. The application process includes conducting outreach to families who currently have the least access to high-quality preschool, completing the application, and prioritizing families for enrollment. Through the application process and when participating in Preschool for All, some families may disclose additional needs. Family Connector staff will connect families to existing community resources, such as food pantries and programs, energy assistance, and housing support.
