OREGON ELECTIONS ARE RIGGED BY BIG MONEY

LET'S KEEP IT THAT WAY.

VOTE NO ON 26-184

With Oregon's unlimited political campaign contributions and spending (unlike 44 other states), the candidate who raises and spends the most money wins over 90% of the time.

Local races now cost upwards of \$1 million to win, sometimes almost \$2 million.

THE OREGONIAN [4/10/2010] said that Oregon candidates raise and spend more in their campaigns for the Legislature, per capita, than in any state other than New Jersey. And that amount has increased by over 50% since then.

Most of that money comes from huge contributions. Some corporate executives and wealthy persons write individual checks for \$300,000 or more to candidate campaigns in Oregon.

These huge contributions come from the elite leaders of our society. They know best who should serve in public office. And elected officials should indeed listen to them and act accordingly while in office.

POWER TO THE BEST PEOPLE WITH THE MOST MONEY!

In Oregon, the "best people" include timber company executives, commercial real estate developers, and leaders of multinational corporations.

As the distinguished leader, Donald J. Trump, said:

"As a businessman and a very substantial donor to very important people, when you give, they do whatever the hell you want them to do." (July 29, 2015)

"I gave to many people, before this, before two months ago, I was a businessman. I give to everybody. When they call, I give. And do you know what? When I need something from them two years later, three years later, I call them, they are there for me." (August 6, 2015)

"When I call, they kiss my ass." (January 9, 2016)
