After Hurricane Katrina, Portland Water Bureau staff went to New Orleans to offer assistance. It was not only the right thing to do, but also gave our Water Bureau staff valuable real-life experience on how to manage emergencies and provide safe drinking water to community members in desperate need. Astonishingly, a Judge ruled that the City's actions were inappropriate.

When a major earthquake hits Portland, we will need many other jurisdictions to send skilled workers to help us out. We will need local experts with experience working in disaster situations. Your Yes vote on this ballot measure will allow the Portland Water Bureau to enter into agreements with other cities, counties, states, and tribes so that when they need emergency help, our Water Bureau experts will give it – and when we need help, they will be here for us.

Your Yes vote on this ballot measure clarifies that the Portland City Council has your approval to spend Water Funds on mutual aid agreements that allow the Water Bureau to give and receive aid in major disaster emergencies.

In the Resolution referring this question to the ballot, the City Council set Binding City Policy that if this measure is approved by voters, the Portland Water Bureau must report annually to the Council on new mutual aid agreements.

I was a Registered Nurse for 27 years before I was elected to serve as your representative on the City Council. My life has been dedicated to helping people help each other. **Please join me in voting Yes on 26-205.**

- **Common sense.**
- **Wise use of ratepayers' money.**
- **The right thing to do.**

Thank you,

Amanda Fritz

Portland City Commissioner
