*Excludes Cite & ID. Total of 2901 bookings (96.7/day) through 03/31/2009. Corrections Health reported 519 psych-alerts (17.3/day) for the entire month of April.

**Notes:** Compared to April 2008, the total number of Part I index offenses has decreased by 21% in Portland while increasing by 7% in Gresham. Arrests by Portland Police declined for the first time this year, with significant decreases in vehicle (down 29%), person (down 15%) and property (down 18%) arrests. After jail capacity was reduced in March to 1413 beds, the percentage of beds utilized has increased to 91.1%. Average Length of Stay (ALS) in the jails continues to decline.
Notes: Data on sentencing outcomes is currently under review and will be updated to more accurately reflect the disposition of cases in future briefs. Average daily adult felony cases received and issued declined for the first time in 2009. The caseloads from the CFS and RST services and the Juvenile Counseling services continue to decline.
